Conductors and Owners: MERLIN AND MESQUITA Great and Useful Invention.

No more Mortality for want of Water. Sure wealth to Estancieros By the Robert Apparatus. By the Robort Apparature, Being notorious the immense injury occasioned by the scarcity of water during the long (seeas) that afflict the camps of Buenoz Ayres, I have deter-mined to dedicate to the Estancioros an Apparatus at o nee simple and in-fallible for procuring at much water as they may require.

fallible for procuring at much water as they may require.

120 Bordaicass per hour (it seems fabulous) is procured with my appa-ratus, without fear of st any time its getting out of order.

This machine is worked by one horse

GREAT MODIFICATION,
I have made an improvement in my
Apparatus, applying a new system
which reduces the necessary force two
thirds, giving it at the same time more
rapidity.

Those interested can see it at Cone Moreno, No. 346 (Henerrado, Paris). One sole inspection of the Apparatus will prove to them the superiority of it over any other. ROBERT.

The American built Yacht
