WEDNESDAY, APRIL 27, 1864.

TWO COVERNMENTS EQUAL
TO NONE.

«English systex tells that two negaives are like the renowned Kilkenny ats, utterly destroying each other; and it would not be difficult to prove that is also true of those Argentine conjunc-Governments In the beginning it turn out an ill-assorted matrimony, and after a very brief honeymoon, family jars of the most troublesome character came to verify the prediction and dis-turb all the peaceful neighbours. The effect of the Union Irus been a miscarrings and the puly issue of the now diversed couple consists in debts reck-lessly contracted, blood disgracefully wasted, and an expose of mutual failings which would entitle either applicant to an order 'nisi' before any international

Doctors Commons. It is not for us to say on which side the heavier faults lie, but the scandal is almost evenly divided, for the couple have not followed Napoleon's injunction to wash their soiled linen at home, but reviled each other in a manner to show themselves adopts at scurrility rather than the art of Government. To say cost within the last few days would be no exaggeration, although it is a hard case to confound those honorable men who abhor Crudos and detest Cocidos.

who abnor Crudos and detest Cocidos, with the vulgar mob.

We have said that the National and Provincial Executives have heen absolute and contradictory negatives from the commencement, and this is so true. ey have positively done nothing for the country. After the battle of Payon, when General Mitre was unaniusly hailed President, what a splen-

moonly haited President, what a splean did future before him to hand do not have any to be a superior with some better of the state of petericity with some better of the state of the stat

uthorisy. Marie of all this is very plain found Coverament has lowered ridge of the Provincial, until ridge fallen into entrance which against and leading in the become young who loves order and interest in the country. Mean-

time, the Provinceal Go persistent his acted as a colo on the Natingal jimiling the action and diverting its attention from the wast territory of the Républic that arrow company, in which

the edica was theories of similar to the control of the Republic to that narrow coapast, in which is the control of the Republic to the narrow coapast, in which is marked to the coapast, in which is the coapast of th

RETURN OF THE PRESIDENT BALLS, PUNCTIONS, &c.

Ou yesterday the Paraguay steams Salto de Gunyra, arrived in port, with our Brother editor on board, who made a hurried trip to Asuncion, with the intention of contracting with the Government for the cotton crop (full parti-culars respecting which we shall publish in a few days.) His Excellency President Lopez, returned on the 10th inst. encampricut, and was welcomed by the citizens of the capital in the magnificent manner: indeed to ludge the feelings of the people, by the ovation in Asuncion, one cannot doubt respected by all those, both high and

low, over whom he rules.

When the train prived at the ste tion, at about half-past six o'cleck, p.m., the bands struck up some home p.m., pair, the battlerin was crowded with ladies, and as his Excellency stopped out of the carriage, accompanied by Dr. Stowart, the Bishop, Colonel Aguiar, and acceptal other officers, a hearty chicer rent the air, which made

Again's, and several other officers, a hearty cheer cort the air, which and us almost doubt whether we were in Berguey or Endoncom at the station was tastefully devorated, and on the Persident stating his place at the head of the room the bell commenced. The Colonial strike his place at the head of the room the bell commenced. The Colonial strike leading off. Dancing was kept up until about deven o'clock, if treet. These cause the more humble class of citizens. This cruth was truly advantaged and the proposition of the colonial strike and the proposition of the colonial strike and the colonial strik

The whole city was illuminated, and the streets through which the President passed, tastefully adorned with palm rices, flags, colored lamps, &c. Immediately in front of his house there was a triumphal arch, the pillars of which were made of unskets, rosting inpon julies of cannon halls, with several applendid brass pieces of artillery in front.

spen pilles of cannon halts, with several spending there are picces of artillary and the cause of Spunish republic as an important production of the Clash hosts there were fine the cause of Spunish republic as an important production of the Clash hosts there were fine the cause of Spunish republic as an important production of the Clash hosts the C
