SAYMONY, MAY 28, 1801.

THE BURGER ANALYSED.
Nie millions of silver dalairs. Some times of silver dalairs with the considered a small revenue for common. The time of this edition is consisty return you there the consisty return you show the considered a small revenue for a local part of the collection of t the budget before us with those of the budget before us with those of the control some small European Stater, the infer-Church, in normal times, with three millions of inhabitants, yield a little over one million sterling, less than 2 natacons per head. Austria. Prussia. n, and other countries maintain large military forces, yet the public outlarge mittury forces, yet the public out-lay is far less per head than here, tor M. Gonsalez's budget gives 7 dollers per head. England and France nearly come up to the Argentine figure, but come up to the Argentine figure, but when we take into account their orderies this is at once explained. Be it further observed that the budget before us only imperfectly represents the amount of exaction, for the Contribution Directs (except of this city) and other provincial imposts are not included, although such slaysys form a part of English contrasts?

such always totta a pos-cetimates.

Our customs-returns.show: imports, 34 millions pounds sterling; exports two millions pounds sterling. This means practically that every Argentine and North Managements. pats, and is taxed (rs we have shown above) 7 pats. If we include local imposts, the revenue exceeds the total

exports [] [But it is easier to show that the But it is easier to show that the taxation is exorbitant than to specify the items which might be retrouched. By a strange concurence, the people, always as susceptible in such matter, always as susceptible in such matter, does not groun about -opposites imposts, and there is infinitely less public distress I take republic than in countries lighter taxed. The fact admits two inferences; 1 sty, the National revenues are more than sufficient for the good government of the country; 2 shally

two inferences; lat, the National revenues are more than sufficient for the good government of the country; Jaulie good government of the country; leading the summer of the country; leading the summer of the latest of the republic of the republic of the summer of the port steels on the most event of the property of the property

On another day, we shall review the chapter of ways and means. Meantine, M. Gonsalez foreases a defloit of hair amillion, and as it is likely this budget will not pass Congress without a struggle, there will be occasion to return to the subject.

EDITORY TABLE.

the description given, called at our office and stated his intention of opening a barrees in this city. He subscquently went to the camp, and we be-lieve is now in Rosario or Santa Fe.

Buenos Ayros, May 19 1864. m 25 l m.

British Steamer 'FAIRY.

This boattful new and isa-sailing Steamer, recently arrived from England, will leave this port for Montevideo every Thursday at Four o'clock.

This Steamer can be recommended to all persons visiting the Torts of the Banda Oriental and Entre Rios, for the most superior accommendations and fast. Banda Oriental and Entre Rios, for the most superior accommodations and fast sailing, not being equalled by any boat at present in the River Plate; and from her light draft of water, can proceed up to the Salta at all times.

TARIFA.

To Colonia.

The fast sailing pilot boat 'Estrella' well known on the station, continues to make two voyages weekly. It carries passengers and encountedas.

The Agency is no longer at the store, of Mr. Luis Maclean, it having board transferred to the Store of La Berlie, No. 47 l'asso do Julio.

10 pm 10.

To be Let

Three Rooms suitable for Deposit Stores, or for a Gooper, or any other trade, are to be let in Calle Piodad, No. 139. Apply for particulars on the premises. - Siday yard.
