> HIGHLAND SHEEP DIP.

Best Summer Protection for Sheep. Cures Scab, Exterminates Vermin,

First.-It is an honest preparation. I pub lish the formula of its composition openly I make no attempt to trade on the credulity of my patrons, who, with the formula before them, can form a shrewd opinion of the efficiency of the "Dip" and its value in Cash. I range myself alongside the Farmer, and make his interests my own. econd.—It is a reliable sheep dip. That fills Vermin goes without saying—any the policy worthy the name will do that; the Highland Sheep Dip does more, fleece, forming, when dry, a film coof resisting moisture, on every ind eece has been soaked by rain the sheep easily frees itself from all superabundant moisture by a simple shake.

Third.—It is the most economical Dip. For \$1.75 gold Makers of Powder Dips give about 10 lbs. of Powder. This quantity of Vallan Parkers Sham Dip. Yellow Powder Sheep Dip contains 2 enic, 2 lb. ON 'CHANGE. Thursday, October 6th 1892. The alarm in the market was greater than ever to-day and a stand-fromunder feeling prevailed, even in those quarters where as a rule ignorance is bliss.
