A newly discovered principle in vegetable medication is securred in Radway's Regulating Pill, that places them far in advance of all other Pill, that places them far in advance of all other Purgative or Cathartic, Aparient or Sedative, and Anti-Bilious Medicine. They are the only vegetable substitute for Calomel or mercury known; the only Medicine that, during their process of purging, imparts nutriment to the debilitated system, and strengh, vigor and purity to the blood, and impaired secretions; the only purgative that will cleanse the Alimentary Canal and detauted intentions consider and thorough. gative that will cleanse the Alimentary Canal and obstructed intestine as quickly and thoroughly, without weakening or neauscating the patient, as Lobelia (the most active and thorough emetic of the herbist) will the stomach, and the only purgative at present known safe to administer in case of Small Pox, Yellow Fever, Erysipelas, and other Malignant Fevers, that inflame and ulcerate the mucuous membranes of the Rowels Stomach &c.

THEIR ANTI-BILIOUS properties stimulate the liver in the secretion of bile, and its discharge thorogh the biliary ducts. In all cases of Headache, Jaundice, Bilious Attacks, Saffrom-colored Sking, Impaired Digestion, caused by the overflow of bile and its mixing with the blood, thete pills, in doses four to six, will quickly regulate the action of the liver and free the patiedt from these difficulties.
