The traces of the highway are now lost, but it afforded the shortest rout, from the Upper Provinces to the Parana, reducing the distance to 80 leagues: with the aid of the National Government this road might be again opened, and then the colony at El Rey would become a va-

luable port for inland trade. The new territory is to be called Dolores: it is for the most part covered with immense, virgin forests, containing timber in every variety, such as white and red Quebracho, Algarrobo, Lapacho, Urunday, Pita, Nandubay, and 60 other kinds of valuable woods in the most inexhaustible abun dance. 109,6p,m12 VALUABLE SAW MILL PROPERTY FOR SALE, IN BRAZIL.

A very favorable opportunity for a profitable investment in producing the most beautiful kinds of the variegated woods of Brazil, is now offered to dealers in Mahogany, Rosewood, Lagnumvitæ, Brazilian Cecar, Caunela, Perroba, and the celebrated Arriba, the richest veined cabinet woods of South America.

The transportation of logs down the River Itajbay, by one branch of fifty miles, and another of forty miles, affords great facilities for an abundant supply for the Saw Mill.

The Mill is located only 12 miles from the sea, in the Province of Santa Catharina, 45 miles distant from Desterro, the capital, and 350 miles south of Rio de Janeiro by sea. Vessels drawing 18 feet of water can take cargoes from the Saw Mill Wharf.

LA IMITACION

a la que principalmente se reliere este aviso, tiene casi las miamas schas. solamente qué di nombre, de que se han servido los introductores, es el de Van Kotema & Co.; han cambiado paes la H on K y han suprimido la Y que debe seguir despues de la O on el nombre verdadero.

Esteriormento se conoce la imitación por traer las frasqueras ol nembre del supuesto fabicante en letras negras, mientras que la legitima viene con letras blancas. La marca de faego dice V. K. & Co. en lugar del V. H. & Co. de la legitima. En las letras oxtampadas en el plano de los frascos se nota que las de la Ginebra Legitima.

Tenemos aviso de otra imitación mas, pero no nos detenemos con ella, estando por lo que antecede suficientemente esplicadas las señas que unicamente merecon fé.

Se nos ha imitado tambien nuestras Damajuanas de la misma fábrica, pero como todas ellas vienes con puestra normes en la eximetes.
