THE MENDEZ INVENTION. With the exception of the 'balde sin fondo,' Argentines have nothing to show in the way of inventions...

The present form of construction fundamentally considered from bow to stern and deck to keel is almost triangular, though sometimes curvilinear and at others almost square.

General Camara in his pursuit of Lopez' forces had divided and subdivided the column he commanded, and had only by his side a little over one hundred men...

trious Viscount of S. Leopoldo. From a general so distinguished nothing else could be expected than the demeanour which accompanied the tragic end of Lopez, wherein earnestness, dignity, and generosity prevailed throughout.—Yaconi.

MONTEVIDEO. Wednesday. A skirmish is said to have occurred between Frenedoso's division and the rebels, near Jackson's estancia...

D. NICHOLSON AND CO. 50, 51, and 52 ST. PAUL'S CHURCHYARD, LONDON. Silk, Woolen, and Manchester Warehouses.

THE LONDON AND RIVER PLATE BANK. The Board of Directors hereby give Notice, that on the 31st of March, 1870, Mr. John Henry Green retires from the Management of the Buenos Ayres Branch...

My invention creates a system of construction that in my opinion successfully deals with all those difficulties. I abandon definitively the primitive angular form and the plane or oblong square in the centre which replaces it...

General Camara ordered the encampment to be surrounded by the small force he had with him, telling off twenty men, who with Colonel Silva Tavares (vulgo Yoca) and Major Oliveira were to penetrate through the narrow pass (picada).

Among the enemy's forces there were only three men mounted, Lopez, his Minister Caminos, and General Resquin, the latter riding a mule. They all had their swords unsheathed and fled so precipitately that they missed the opening...

Colonel Aguiar says—"Maximo has arrived with 80 foot and 200 horse, but the General has ordered him to halt as there are already enough gone in pursuit of Aparicio. Colonel Cardoso is daily expected with 200 men."

Don Ramon Martinez of Sta. Lucia was murdered in his house by robbers last week. Messrs. W. H. Cook and Hansen have a concession for wire tramways, which are said to be very easily constructed, the waggon being suspended from wires.

BETTS' CAPSULE PATENTS. Are being infringed by importation of Capsules made in contravention of rights, which necessarily are money lost to the original Inventor and Sole Maker in the United Kingdom.

THE ENCOURAGEMENT they have already received in the trial of this scheme, has decided them in perfecting this department of their Establishment, and the Institution of LUNCHEONS hereafter from ONE to FOUR O'CLOCK.

My invention does not go only to improve the hull or increase the sea-going security of vessels: the chief object is to make room for a large number of screws, so as to drive the vessel much faster without extra steam or consumption of coal.

General Camara having had the identification of Lopez' corpse verified, ordered a litter to be made with branches, on which it was conveyed to the spot where Lopez had been encamped. There it remained several hours guarded by sentries to prevent its being profaned...

Such are the details of the death of the Paraguayan despot, guaranteed by the word of an officer, whose high standing can be judged by the commission entrusted to him by his general for the Emperor. If there is any room for commentaries, they can only reflect credit on the Imperial army, and the gallant General Camara.

Mass was celebrated at 10 o'clock, and the dedication sermon delivered towards the end of it by the Rev. Mr. J. B. Leahy, of Buenos Ayres. At the close of the religious ceremonies, the usual festivities opened with some well-contested foot races, and continued with great spirit until half-past 2 o'clock.
