OUR TENTH YEAR.

wavered from. Our aim has ever
been, to be useful to our public, and
this, we believe, we have accomplished;

To meet the convenience of our public
we have moved into more central
premises, which, thanks to the kind

On entering our tenth year we
are cheered by the conviction that the
independent position of the STANDARD

Most of our colleagues enjoy high
official positions, and there is scarcely
a paper in Buenos Ayres, with the exception

Many of our earliest supporters
have passed from amongst us, and the
obituary columns of our ninth volume

There is a good deal of talk
about woman's mission in these days,
where it begins and where it ends;

Woman fond and fair deceiver
How fair are striplings to believe her

The alleviative mission is undeniable,

There are now, however, few nations
requiring saving, or if they are

troops to seek the murderers of his
father, and avenge his death.

There has been a monster meeting
of the friends of order in the theatre.
