Hennessy's Brandy.

The undersigned beg to inform the Public, that they have concluded arrangements with Messrs. JAMES HENNESSY and CO., to receive regular and constant supplies of their well-known Brandy of Cognac.

The first shipment has arrived, per "Suffren", and is now on Sale.

This Brandy is so well known, and so fully appreciated by the English Consumers, that anything we could say to recommend it would be superfluous, and we would therefore simply draw attention to the following Table of Export of Cognac from Charente to Great Britain, for the twelve months ending the 30th of June 1869:

Table showing export statistics for Hennessy's Brandy, including quantities and values for various years.

In Great Britain, in Australia, and in India Hennessy's Brandy commands the preference, and fetches a higher price than any other Brandy.

As a protection against falsifications, our name is attached to Messrs. Hennessy's Trade Label.
