BY THE USE OF
BRISTOL'S SUGAR-COATED VEGETABLE PILLS.

These Pills have justly acquired a widely extended reputation, and they have cured severe cases of sickness—cases in which all other Medicines had failed, and which had been given up by Physicians as beyond hope—such as confirmed and long-standing Liver Complaints, obstinate cases of Piles, Dropsy, &c. But while admitting their wonderful curative powers in difficult cases, we wish to call attention to their great value in the every-day diseases of life, such as Constipation, for which they are a perfect specific; Headache relieved and cured by one dose; Indigestion always removed by them, and the stomach so toned and strengthened as to prevent a return. Bad Breath cannot exist when the stomach is cleared by them.

BRISTOL'S SUGAR-COATED PILLS.

For Victoria and mouth of the Rio Gualeguay National Steamship
"AGUILA."
Captain JAMES HODGE,
Leaves this port once a week, taking passengers, parcels, and cargo; the latter at the same price as sailing ships.

Podophyllin and Leptandrin.
The only vegetable substances yet discovered that are really
Antibilious.
To the presence of which invaluable remedies the extraordinary success of Bristol's Pills may be in a great measure be ascribed. It is necessary, however, that the sick should always remember that in all diseases that have their origin in the blood.

BRISTOL'S SARSAPARILLA.
That best of blood purifiers, should be used with the Pills, the two Medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and, in most cases, a cure, can be guaranteed when the patient is not already beyond human help.

For general directions and table of doses, see the wrapper around each phial of Pills; but as different constitutions require different doses to produce the same effect, it is better that each person ascertain, by trial, the dose that suits their system, and take that dose, instead of following any general rule.
