INDIGESTION OR DYSPEPSIA! The tules for theating this complaint are simple, and apply to all cases. Keep the bowels open, renew the lost tone and vigor of the stomach, and regulate the action of the liver, and the cure is wrought, Now come the auxious questions of the sufferer : How decisive testimony, from our most respectable physicians. Dr. Wells, of Thirty-first street, New York city "For eighteen months I have cine we have for dyspepsia, indigestion grand total of ur imports from France was 10 and all derangements of the stomach, millions in 1854; 17 millions in 1859; and in liver and bowels." Dr. L Mills. of Dr. Parker Nelson, of the Chnical Institute, Philadelphia, recommend the cills with equal carnestness. The Bank of Mana & Co. in Montovideo has already provided for the working classes in that city a safe and profitable depositary for their savings. The sums doposited in that very important in-stitution are daily increasing, and already reach

The characteristics of Mr. Latham's flock, and the Rams offered for Sale, constitute a speciality, the speciality of the River Plate. These are Great hardness, procurative vigor, deep square tableada caress, on short legs, wool exceptionally beautiful and defined in character, long and free in stuple and peculiarly bright and strong; thus combining all the qualities which constitute profitable Stock for Sheep-farmers.
