The magnificent Estancia of DON JORGE STEGMAN. The finest Estancia Property in this Province, is now offered to rent for a term of years, at the moderate rate of Sixty Thousand Dollars m.c. per Annum, Per League.

These splendid fields of Alfalfa, besides supplying all the Alfalfa necessary for the maintenance of the fine flocks—2000 negrettes and 1000 m.c. and, moreover, yield for the market of Buenos Ayres a large supply of hay, which for the last two years, has averaged from \$2.00 to 3.000 currency per month.

MONTES. The large Peach and other Mounts which surround the estancia house are more than sufficient to supply "litta" (firewood) for the whole establishment.

POTREROS. Besides the fields of alfalfa there are four immense Potreros, all fenced in, and useful for the shutting-in of the stock at night time or in bad weather; also for the raising of wheat, maize, and other grain crops, now so essential on all well managed estancias.

LAND. The total area of this noble estancia now offered on lease is Three Leagues and a Fraction. The pastures are unsurpassed by any in the Province, and the Land is sparsely covered with pastures for the various flocks.

PUESTOS. There are twelve well built brick Puestos on the land, each supplied with sheep corrals, wells, etc., and so open in the camp that at each Puesto two flocks can be cared by one shepherd.
