

improved since Biela left us or since the Archbishop of Canterbury offered us prayers. We had two or three fine days this week...

EDITORS TABLE.

The Royal mail steamer Douro did not come up from the sister city yesterday as expected, but she is posted to arrive here this morning...

A serious bit of news, bearing on the vague apprehension shadowed forth in all the leading papers of Europe as to another war soon, appears in the Scotsman...

The London Times of the 10th ult suppressed all its leading articles to make room for 11 columns chronicling the life of Napoleon the Third...

The Ville de Rio sailed yesterday for Europe. The Pascal will sail on Sunday next with mails for England...

The great news of yesterday was local, viz, the decree of the National Government ordering the construction of a new Post Office, Capitania and Telegraph Office...

Another piece of intelligence that caused some commotion was the extinction by decree of the Consular Posts, offices, from the 1st of July next...

We feel great pleasure in saluting the latest distinguished passenger by the 'Editorial' Bus, Dr. Bonifacio Láster, who has assumed the chief editorship of the Verdad, vice Mr. Mitré y Vidua...

Pane's Almanack for 1873 is good. The big cut of Polo's girls' 4 cheval are playing the fashionable cavalry game in the bit of the number. Daws has it on sale, of course...

About the time when people were thinking of going to bed on Wednesday, the 'Juri' empaneled to try the Alina-Bilbao case...

The Rosario papers of Wednesday contain no local news from that quarter likely to interest the general reader...

The English papers contain the following account of a startling discovery at Greenwith Hospital:—The bodies of workmen employed in converting the Greenwith Hospital into a Royal Naval College have discovered two human skeletons under the flagged floor of what was formerly an apartment in the Royal Palace...

The Republic of Santiago says that they have better prospect in Chile than in Peru, and under greater local advantages than in the States.

Mr. ex-Police Commissioner Bielma has published a graceful letter thanking his friends for their endeavours to have him reinstated in the position he held before...

An Italian finished his wife at his home 'a Calle Cordoba a few days since, stabbing her eight times. Jealousy, for which there, unfortunately, seems to have been too good cause, prompted the murder...

Mr. Water used to think that iron would not burn. It is all a mistake. An iron church at Boston was lately melted into nothing, though there were but a few planks of wood in the whole structure...

Respecting impending troubles in Europe we see that the German papers are beginning to abuse the Russians, and the Russian organs are giving as good as they get...

The highest figure as yet touched by the daily death toll from Yellow Fever at Rio is 48. The Portuguese furnish by far the greatest number to the fatal cases...

We have been favoured with a gorgeous invitation, all cream and gold, to Mr. Pealer's inauguration of the Maronias and Pando Railway.

The STANDARD wants a cheap Stanley. We are driven to this advertisement by our London contemporary the Daily Telegraph...
