LICOR DERMATOSICO.

Prepared by TORRE and BARTON, Druggists DEFENSA, 65, 67, and 69.

Infallible for the Cure of Scab in Sheep.

After long and innumerable trials, we have succeeded in preparing the above Sheep-dip, by the use of which we guarantee the thorough eradication of Scab in Sheep. Besides cheapness and easy application, it has the great advantage over all other similar preparations of being COMPLETELY SOLUBLE IN WATER, a circumstance which admits of our liquid penetrating to the very surface of the skin, without spotting the wool or making it adhere.
