CALLE POTOSI, No. 70

THE GREATEST LAND AUCTION

Will be held by BULLRICH & CO., On SUNDAY, the 21st of December,

At the Hotel, in front of the Great Southern Railway Station of DONSELAAR

Each Block is measured, mojoned, and the mojons numbered; so that you can see exactly what you buy, and where it is; and you can take possession of it at once on payment and on receipt of Title Deeds.

Whoever looks at the maps that are being in claiml, and which are to be had at Bullrich & Co.'s, Ca'le Potesi 70; must see at a glance the great future in stere for the new Pown of Donaslar; that it is far better situated for commercial purposes on the Southern length and who invested in lands surrounding the Merle Station a few cars ago have made piles of money. There ore, new at this first great auction of the place, is the time to go in for an investment in the New Town of Donaslaar.

The Quint is, which commence at only 500 yards from the Station, will be put up, to begin with, at a crice so very moderate that it is beyond all cavil—only 4 reals, or half a paper dellar the square yard. At the same distance on the Western line, and only 500 yards from even the least important of its Stations, what would be the price of such land for Quintas? These prices are so very moderate that whoever means to invest in well choon Town and Quiuta Sites should not, on any account, neg ect the golden opportunity that will be aforded them by Bullrich and Co. on Sunday, the 21st December.

Train leaves Central Station, Pasco Julio, at 8.10, Calle Lima at 8.5, and Plaza Constitucion at 8.25. Those who attend the Auction from any other Station on the Southern line will be paid their railway fare, on presenting
