The Potosi Mails. LATEST FROM ENGLAND.

We have London papers to the 16th, and advices from our own correspondent to the 18th. The Times mentions the new Buenos Ayres Loan with this flattering prediction :- "The Loan will probably be covered many times in a few hours," which, we believe, turned out true. The City of Buenos Ayres Tramway Company invited tenders for £95,000 in 6 per cent. debentures, adding that its income exceeded £50,000 a year. The Nitherohy Gas Company also solicited £5,000 in 7 per cent. debentures, for extending the lighting of that suburb. A robbery of £80,000 had been committed on the Ottoman Bank. A clerk in the Belfast Bank has been arrested for embezzling £10,000. The Turkish Government has concluded arrangements for an advance of six-millions sterling by

They were engaged all day in unloading lighters coming from two large steamers, of 1,800 tons each, now

discharging in port. The news from Entre Rios yesterday was cheering. The National Guards are being sent to their homes, and all the petty chiefs that took part with Jordan are sneaking home to their lairs, fully convinced that the 'game is up for good. The return of General
