SIR.

Notwithstending that our AROMATIC ANGUSTURA B TT. Re have met with the best acceptance in the intropolar markets, and those of north and South America, we have been daily endeasoning to impove their quality, with a view to bringing them to perfection. And we have su ceed d in clarifying them so far, that the liquid is of so deer and t ansparents color, as to have obtained the highest approval from our friends and correspondent. Our Bitture are used in all the large West Indian far, that the liquid is of so clear and t ansparent acolor, as to have obtained the highest apparent acolor, as to have obtained the highest apparent acolor, as to have obtained the highest apparent acolor and the making of the making of "Farcy Drinks," adding to them a celightful taste and aroma. Their qualities as an anomatic and stomachic tonic being of the highest older, while the smallest quantity is all no necessary so add piquancy and flavor to any drink. We have also been using every and avour to develop their medicinal qualities, and we have to-day, the pleasure of announcing to our correspondents that our flitters, while polessesing an agree able taste, retain all their higher cal qualities, and as a preservative against fever and Asiatic Cholora have proved bit. He successful, and the no traveller now goes to the rich Guayana God Mints without this proclous and famous preservative. Induced by the increasing or ers for our Angostura Bitters, we have been obliged to enlarge our Establishment and Factory, and it is satisfacted yet? It us to state that our offers have been completely successful, in meeting the large increase of orders we have received from Europe, North America, and the Pacific Coast.

Our Bitters have been searchingly analysed by the first Chemist in Boslin, Processor Dr.

Our Bitters have been searchingly analysed by the first Chemist in Boslin, Processor Dr.

by the first Chemist in Boshin, Fro easir Dr. Somenso sein, and have sereived several distinctions from Medical Societies both in Venezuela and in other contries, and lastly our manufacture has received "Honourable Mintion" from the Great Univers 1 Vi nna Exhibition of 1873, thus distinguishing them from the Angesture Bitters. other Angostura Bitters.

NEW ADVERTISEMENTS

ASSAULT THE ENEMY AT ONCE .-- 1h battle for life. It is a maxim in war to assent the enemy before he has concentrated histength for a tek. It should he the same in a co flict with disease. Even Bristol's Sarsaparills, an ant goost with which few morta malacies can one, does to with of cure and remaindees can one, does to with of cure and rea co flict with disease. Even Bristol's Sarsaparills, an ant goinst with which few morta maladies can ope, does to write of cure and regeneration more swittle when reserved to in the early stages of a disorier, than whin the early stages of a disorier, than whin the latting has not pierced diep into the floborto to tehed the bone, vanishes as it by or chin ment under its influerce. So it is with skild souses, liver complain, affection of the bowels and the kidneys, dyspepsia, neuralgia, and rheumatism. But let it be also universited, that when the struggle between the physical power and the malaly has become a ship in see inverse the malaly has become a ship in see inverse distributions. The merest week of humanity is not past salvage with its hygeian aid. In every case of serofulous disease the use of Bristol's Pills, at the same time with the Sarsaparills, is absolutely necessary.

MISSION TO BOLIVIA.

An officer of the same family, Colonel Napoleon Uriburu, is also known as a frontier commander in the Chaco. It to Japan.

derives its name from the Liberator, Bolivar. We knov that it is an inland, mountainous country; that the Cholos ed therewith. are wonderful pedestrians and can go a hundred miles chewing a few leaves the general principles and efficacy of porty goes to his wife; if a wife die, diate deaths of that 'petite presse,' Republic, to be placed in the 'grande the general principles and efficacy of porty goes to his wife; if a wife die, diate deaths of that 'petite presse,' Republic, to be placed in the 'grande the general principles and efficacy of porty goes to his wife; if a wife die, diate deaths of that 'petite presse,' Republic, to be placed in the 'grande the general principles and efficacy of the general principles and e of Coca; that Colonel Church is trying the laws in their relations with inter-

to make a railway from the Mamoré falls towards the Amazon; that Mr. Hopkins projects another line from La Paz to Asunción; that Messrs. Wanklyn & Co. have a Bolivian loan in London; that the actual President, Ballivian, is a worthy man, all whose predecessors (except one) have been killed or banished; that Bolivian silver is largely composed of lead; that Lake and that the limits of Bolivia with her places, but are not binding on the Titicaca is a splendid sheet of water; neighbors are so ill-defined as to menace goods in this territory unless they her relations with Peru, Chile, Paraguay and the Argentine Republic.

His Excellency Mr. Lindsay has been more than a year at La Paz as hilian Envoy trying to arrange the question of limits, which almost burst into a war some time ago, for the possession of the nasty guano islands called Meiillones. The new Brazilian Minister there is Dr. Alencar, who re- they be. sided here many years as Charge d'Affairs when Amaral was Envoy. at Parana; he is an accomplished linguist, having served at Vienna, Paris and other capitals. Dr. Uriburu will application of foreign laws this can also meet at La Paz the author of At only be at request and showing of the Home with the Patagonians, Captain interested party; except when Diplo-Musters, who is married to a Bolivian matic conventious make such laws lady. He will find the people hospita obligatory. ble, but fearfully given to politics, as described by Mr. Maxwell, who was there a couple of years ago. In the leisure intervals of diplomatic life he will be able to ascend the Illimani, condor shooting: we have a pen made from a quill of one of these monarchs of the Andes. If his tastes be rather of a literary turn he will have time to study the Jesuit explorations of the Pilcomayo in the 17th cen ury, or the right to Tarija claimed uy the Argentine Republic and annexed to Bolivia by General O'Connor pects of arranging the Chaco difficulty writers might suggest additions it bly to morrow, in the event of being they are even less than those of Mr. Lindsay to settle the Chilian line of drawn up on these priciples would frontier. The constant changes of Go. solve many knotty points that are le to be Presidents, one at Chuquisaca, another at La Paz, a third at Potosi,

In 1863 Dr. Arce was sent as Bolivian Minister to Buenos Ayres, his chief business being to make a treaty for the navigation of the Bermejo and

coupled with the sudden disappear-

ance of Governments, render it diffi-

Col. Quevedo, one of the supposed competitors for next Presidency, sucor cordial, perhaps because the Bolivians say that their Minister here in the time of Rosas died by foul play. Rosas did not love Bolivia, since it was kind of home for Porteño resugees. Paunero was a General of artillery moreover brother-in-law to the President; and among his officers was Cap tain (now General) Bartolome Mitre; they had previously started there a printing office and newspaper between

Dr. Uriburu's first difficulty will be to reach his destination. If he go up in a steamer to Curumba he can make the journey overland to Santa Cruz de la Sierra in five or six days. If he proceed by way of Salta the distance to Tarija is about the same. The Bra zilian Minister preferred to go by steamer to Cobija, a wretched village which is the only Bolivian port on the Pacific, and then crossed the dreadful

desert of Atacama to Chuquisaca. The Statesman's Year-book gives the following information respecting

Bolivia. Area 473,300 square miles, or double the size of France; population 1,742,352, of whom one fourth Cholos; army 1500 foot and 500 cavalry; 1evenue £400,000; chief towns.—La Paz in any contract, to bind either party

76,000; Cochabamba 40,000; Potosi 23,000; Chuquisaca 23,000; Oruro 8,00 :; Tarila 5,600; and Cobija 2,400 inhabitants.

DR. SARSFIELD'S CODE.

REVIEWED BY A DUTCH LAWYER

Civil Law, has taken the trouble to husband or wife.

neighbor on the north it is incredible 1870. It is remarkable for the clear respecting property within the Repubhow little we know of that country. In and systematic arrangement in four lie will have force if duly executed in fact most of our readers will be puz- books, subdivided into sections and legal form. zled to tell whether the capital be 13 chapters. The author has displayed Book the Third treats of Real Pro-Paz, Chuquisaca or Potosi, or whether throughout a profound study of all perty, borrowing some chapters from Dr. Uriburn will have to proceed over- civil codes from the old Boman Law the Chilian Code, some from that of Murray, Dillon, Daw., O'Bried, Burdas, Mrs.
Unuth, Moler. Dunn, Molte, S.ewart S.
Indian or go round Cape Horn to reach down to the present, taking into account the experience and working of none are valuation.

We know that Bolivia is a part of what was formerly called Peru, and page with the analogous dispositions inspection. We know that Bolivia is a part of each, and putting foot-notes to each unless publicly registered and open for

in codes of other countries and legal decisions on important points connect-

the following broad principles-1. The present code applies to forgoods in other countries.

or goods be within the Republic.

must be ruled by the law of those come under the laws made on such matters here.

4. Slavery laws and the like have no force here.

5. The possession and transfer of landed estate in this Republic are exclusively subject to this Code.

6. Chattel property and moveables are subject to the lex loci wherever 7. Deeds and contracts are ruled by

the formalities of the country where they are made. 8. Whenever the Code allows the

9. Foreign laws can never be ap

plicable in the tol owing cases:a. When opposed to the laws of the Republic, to the State or to public morality.

b. When opposed to the spirit and tenor of the Code.

c. When based on matters of pri vilege. d. When less favorable than our

acts. above bases, and although some vernment, sometimes, as happened gal puzzles in most countries. The two years ago, three Generals claiming Judge can never be at a loss how to frame his decision when he has his path marked out so clearly as here. and if any doubt arise on the interpretation of a point he finds in Dr. Sarscult for a foreign Minister to effect field's foot-notes the spirit of other codes, and analogous legal decisions; another, when his own judgment will

doubtless incline to the former. The 1st Book treats of personal and Pilcomayo; he was 9 months on the family rights, besides corporations. journey from La Paz to Corrientes joint-stock companies, colleges &c. A and Buenos Ayres, but left without person is declared of age when he or effecting anything. After him Dr. she has completed the 22nd year. The Matienzo, a lawyer of our city, acted 1st chapter in this book is on Matri- which official candidates may be re as Bolivian Minister, the Consul being mony. Every marriage is legal and turned to vote for the vuknown, that the popularly known miner, D. Adolfo binding in the Republic as regards Calis, the as yet undeclared. tholics when celebrated according to the laws of the Catholic Church before the parish-priest, and between Protes ceeded Dr. Matienzo for a short time; tants when performed according to out the diplomatic relations with this the laws and rites of their country and country have never been very intimate creed, or in the case of mixed marriages. The same is true if the parties do not belong to any Christian denomination. As regards the property, when no marriage-settlement has been made it is ruled by the law of the country where the parties reside, but it and Minister of War at La Paz, being there be a settlement it holds according to the country where celebrated,

if even the parties change residence aftorwaids. There is no such thing as Divorce. at least as understood in Eug'and and some other countries, but only a separation a mensa et there for adultery (as in the Catholic religion) in which case peither party can marry agaid. Book the Second treats of Personal ights in civil relations, and the av-

thor is so concise, clear and logical in this matter that his Code is probably the best hitherto compiled in this regard. He is right in saying the Code Napoleon and most others are very confused herein, but if he had more studiously examined the Dutch Code of 1838 he would find it as clear as his

own. In some points the Argentine Code may be considered too much drawn out in fine distinctions, but on the other hand it is eminently practical. Among other things it lays down as probibited by law, and of no edect to any of the following conditions-

1st. To reside always at a given place, or not change one's abode without permission of another.

2nd. To change or not to change

or at a given time or place.

AUCTION

Monday, Feb. 2.

FEAST DAY

Ninc Squares of most valuable Freehold Land, suitable for Building purposes, Quintaf, &c., in the favorite and heafthy Town of

QUILMES. The future Brighton of the River Plate.

The undersigned has received instructions to

SELL by AUCTION, In Lots to suit the convenience of purchas rs the valuable and wel-known Property, fronting on the high road to Kneenda, Calle Comercio, Calle Mayo, and others, and having a splendid view of the Outer Roads. &c.

THE QUILMES TRAMWAY Runs direct from the Railway Station to the Beach, which is a fine firm sand, every way suitable for Bathing.

The Ersenada Railway Company runs quie rains for the convenience of basiness men.

QUILMES Is now the favorite locality for foreigners, and more than a hundred Englishmen hold property in the district.

This will be an opportunity not to be missed, and every resident of Buenos Ayres should secure a site, as eventually, nobody who can help it, will remain in the city after business hours, and a house outside will become a necessity. Now is the time, whist Land is cheap. Later on there is no knowing what will have to be taid by those who, from want of forethought, have not accurred. Furnished Rooms, with boarded floors, and in a fine siry house, at the above address, oj., 284 6p j29.

L. Dr. LUIS V. VARKLA y los procursed dorce Firmen Rotrigues y Miguel de la Barra tienen pro ision lamente su estudio en la Calle de Chacabuco 1731.
