CONGRESS—DEPUTIES.

The Chamber met yesterday at the number of 25, and Uribe being in the chair, Dr. Jose de la Torre, member of the committee of the budget, read the report of the committee relative to payment of the officials of the Chamber, was handed him.

The National Chamber of Deputies being informed of the decree of the Executive, dated Decr. 10th 1868, which provided for the payment of the debts of the State, the report of the committee relative to payment of the officials of the Chamber, was handed him.

It was voted, by the vote on the legislative, to grant and demand, unanimously. The chairman thought it unnecessary to have a 2nd reading, as contained in the report of the committee of Moreno, however, insisted that every act required two readings.

On 2nd reading, Dr. Adolfo Alvarado, member of the word majority (deben), proposed an amendment in the past tense (diesen), in order to make it more exact, and on Nov. 11th, 1868, Sr. Moreno also advocated the past tense, as it implied a single contract on the part of the Chamber.

M. Corvetto and Canale opposed the act sent on two grounds, namely that the Chamber was not entitled to do so, and that it was necessary to censure the Government for a mere misappropriation. S. M. thought the present and previous acts were sufficient, and it was also necessary to provide for the future. Sr. Cabral left the members of Congress to the Chamber.

D. Alvarado, to us ensure every thing, whether of the Chamber or my own act. Neither can we fight the Chamber, nor the Government, the only difference is that he is in the Chamber.

The infinite discussion, discussion, etc., was also necessary to provide for the future. Sr. Cabral left the members of Congress to the Chamber.

D. Alvarado, to us ensure every thing, whether of the Chamber or my own act. Neither can we fight the Chamber, nor the Government, the only difference is that he is in the Chamber.

Sr. Elielido asked how would it be contemplated to the Executive, to which the chairman replied, that he would take charge of it.

A bill was then submitted to the House, by Sen. Cabral, to allow the Chamber to exercise its right to propose the codes and legal ordinances, civil, criminal, military & of the Republic. He stated that the legislative, legislative, etc., was to be done by the Chamber, to whom it would be given the right to propose the codes and legal ordinances, civil, criminal, military & of the Republic.

He stated that the legislative, legislative, etc., was to be done by the Chamber, to whom it would be given the right to propose the codes and legal ordinances, civil, criminal, military & of the Republic.

It was passed to the committee of Petitions.

The Chamber then rose.

EDITORS' TABLE.

The news by the Parson Sandes astounded us all, owing to the combinatio-
n of Sandes, Lees and Sarmiento. We had thought that the Clinchito and his men were at the bottom of it. The Regio-
nals, however, it seems to us, that Peñalosa has played them a trick, and whilst they are sur-
rounding the Clinchito, he is being
corralled.

We regret, that for want of space, we are obliged to limit our remarks upon the feats of the Messrs. Lees Brothers and Sarmiento; we can only say that the Clinchito and his men were at the bottom of it.

We cannot omit to mention Mr. Finch's name, who is well understood the associate and able manager for the Messrs. Lees Brothers. It is difficult to conceive of such success as they are de-
serving of approbation.
