### ENPLEASANT RUSINESS

THE BRITISH CONSULT WOUN-Aliout a year ago we called attention to the scandalous rules in force, at the

We all remember the stabbing of the Captain's Lorse, and the cutting of the young German broker; but, of course, not the slightest in our territory, the constant supplies which he received were sent from heed was paid to our remerks. On the 26th December last, however, about ten o'clock at night, an event occurred which has opened the eyes of the President and his Ministers to the nind that he has effected all this mismonstrous regulations still in force at the Captain of the Ports, and, we are intentions.
