cet it.
The creditors of Messre, Greenway,

Argentine and Oriental eyes are concentrated upon the historic city of Paysanda, Flores has marched with all his forces to attack the place. ' Kerryman," like Lord Byron in Greece, has hurried to the devoted city to defend it against the invaders and has kindly seat us the following description of the

surround the city. On the sourn-west of the city he has determined. I hear, to make the assult, because the najority of his men are good swimmers, and it is thought that an essault by a handful of good swimmers in that quarter would be the least expected. The walls of the city in that direction suarier would be the least expected the walls of the city in that direction terminate in a mud puddle, through which the invader must waite, but this which the invader must waite, but this perias, the approach to which is readed doubly difficult, on account of the double-faced familulary planeauer of the double-faced familulary planeauer of the double-faced familulary planeauer of the by a network of filtip severs, which since the last rain have not been cleaned. While the main seasult, the approach of the control of the cont

few resolute foreigners, say two hundred put in their place. I will er range accounts with Flores, as I did with the two hanques, when last annusing my self at a game of ball in your city.

P.S. I send you an account of the march on Paysandu; if you have no cotton intelligence for to-morrow, per-haps you can find room for it.

After the capture of Fray Bentos, the

Blancos' offered but little resistance; the rictorious army of the invader marched

without opposition, by the Yaguarete,

But what a spectable here met the eyes of the invading army at every step

How calculated to rouse the dormant

Literally strewed with the bones

slaughtered cows, which had perished under the invoder's knife, the newly

dressed soldiers could hardly move a

pace without treading on the hours of

definet novillos. In vain, I have tried

to do justice to the butchery; nothing

in ancient or mod ra story can equal

the sensations of the invading soldiery they passed these evidences of former

pullification and good living. The dis-pullification and good living. The dis-overy of Varus's army, by the legions of dermanicus Caesar, was as nothing gathe recentre of the Flores' hordes will the examentar of stolen beef. On

all sides lay the whitening bones of

slaughtered bullocks, which, if but forwarded to Buenos Ayres, would be

patriotism of the Oriental reliefs.

"Yours, "Kenryman."

The port was crowded with ultramar M'Lean, Laugenbrek, and Co.

Arishmen, to note the place against education of such follows as Flores, with ten times his army. Scaling ladders the invaders have not, nor are they accessary, for there is nothing to scale Were I in command, I would just let Mr. Flores cuter by the muldy opening, and when I had the chan and his

the most profound sensation. People forgot the Scheleswic-Holstein question, and even the much-talked of European ing, and when I had the chap and men in, run up the Villa del Sai and Natal's whaler's to breach them the rear, show the Kerrymen tenemy, and then—if Fores, In most of his countrymen, remained horseback, watching his men, I won throw a petard between the hors feet. If the jerked beef soldiers con only be get out of Paysandu, and few resolute foreigners, say Congress. Carmelo was the universal subject of conversation. The comisawhen a band of forty colorados cushed on them. A rebel named Bernabe was piked in the back just as he was climbing up an algoraba tree to see the battle. The wound proved mortal

houses were built in Montevideo.
The steamer Gualeguay is at present ancho ed before the saladero of Sor. Sammino Ribes, who is her owner.
Agular, it is said, has raised a loan in Buenos Ayres at 50 per cent, discount, the meaning of the loan not to be

omat, the amount of the foan not to be pain in money, but in goods, such as pantalnons, boots, &c. Flores, it is said, agrees to refund in frutos del Pais. Col Don Pantalcon Perez, Minister of War, has left for the army, to in-

LATEST from the PROVINCES. Our colleague the Ferra-cerril has

got hold of our of the "gorros celesies" manufactured in Catamarca after the battle of Pavon. It is comnosed of the most ordinary description of materials, worth possibly two pence ach at home, and at the very, hi calculation worth about o to and three calculation worth about one and three quanter rods each in this country. The National Government had to pay for each of these right silver dollars two reades. Where is the "Tribuna" that it does not take this matter up—it is at a present on calcilion at the Fren-caril office, and will afterwards be forwarded to the "Nacion Argentina" office.

From Catamarca we have the all story: Maubrein in every day before a story: Maubrein in every day before a story of the st

ELECTION ABUSES

In the parish of Montserrat the members of the Club del Puebla who de sired to be registered had to wait there three hours. On the other hand, those of the so called Club Libertad were re vistered like a flash of lightning. Hanny the 'Nationista' who can obtain ticket even after this scandalous delay.

Our attention has been called by various neighbours of that purish, who wish the English paper to take the matter up. We give the following

with the English paper to take the matter up. We give the following case in point:— Mr. Cru, who was living for the last cight months in the parish of Concesion, was naturally encolled there. He purchased a house in the parish of Montercat, and, as, Mr. Blance of Montercat, knows, there is no low to oblige a man to enrol as other as its buys looses, or enrol as other as its buys looses, it is not the parish of the parish of the 'papelett.' For this he was refused regionation. rgistration.
A'r. Blanco wishes every one to enrol

as often as they change houses. Severa persons have been refused on the same
