stinge the Mactobal desired that 95bed politics; yet; when purpose suits, our very name is wrongfully taken to attack the party of peace and National Government in this city. President Mitre's official organ Etils on us to declare the foreign sentiment and indignantly repuditte the anonymous "foreigner," who dare to triffer with the most powerful, wealthy, and en lightened element in the republic. It is not to day or yesterday we proclaim outselfes sworn adherents

proclain, outselfer a worn adherent and attend to the jeaty of piece, progress, and national herotherhood, identified with he many of President Miter. We have ever historied against a visionity relative seek; or Ageommoders public which seek; or Ageommoders public programs of the progr

ewleage ei nu leswexplicit, on the part of our alies, in pronouncing for Pers.

The 'Percigner' of the Macional is perhaps an sythical personage; he is certainly seither English, American, Perch, Cerman, Danish, Bedjain, state. He may be a Purvyan, Chilian, or Criental. Bid, one thing; is close; his opinion is worth nothing either to would peen it current as that of the freeign residents. We cannot be re-sponsible for his variet motion, nor sponsing the anti-favrice cause, but alm alm over to 'Le Perogra's to be dealt with a he alwayers. In him publish his maticality, without his harman, but ce tifred by his counsil or some respectable person.

Mesers, Moreno and Ruscheweyh mining machinery. This firm has 40 mining machinery. This firm has 40 N. American waggons, each of 35 cet. freight. A convey of 31 waggons, can drawn by mules left on the 20th, with a cargo of 50 tons of machinery at a charge of 51 per arrobe, or \$4000 silver in all. There yet remains a quantity of 150 cet. to be transported. Previously a convey of 57 waggons to the convey of 57 waggons. left for the same destination with ma chinery for the mines. This will give an intea of the magnitude of Major Rickard's enterprise.

an ties of the magnitude of ships illician's enterprise and fee as illician's enterprise and fee as in the second of the second

The Buenes Ayres Great Southers Kallway Company.

Yesterday we had the pleasure of inspecting the spade and wheelbarrow which have been manufactured in England for the inauguration of the works of this road. They are decidedly the most elegant pieces of workmanship of the kind we ever beheld. The spade attracted our particular attention: the top of the handle is silver, with satin wood, the blade, finely polished steel, with an appropriate inscription.
We also saw the drawings of the first

We also saw the drawings of the first locomotive, which the company will receive in a few months; it is being manufactured by the best makers in the United Kingdom, Messus. Stevenson and Co., and will be called Milre. In this country there never before has been such an engine; it is of sufficient espacity to hold water and

coal to make the journey to hold water and direct without making one stop.

The plans of the first section, which extends to the Lomas de Zamorra, we have also seen. Nothing could be more perfectly executed: it reflects the have also seen. Forming count be more perfectly executed; it reflects the highest eredit on our talented friend, Mr. Alfred Rumball, the indefatigable engineer of the company. The rail

Mr. Affred Rumball, the indefatigable orgineer of the correpany. The rail which is to be used is the liarlow rit is the best and most expensive used in Europe. The offices of the engineers, and also of the company, are splendid and expanded on the magnificant house belonging to Sr. Amthoroms, at the organs of Calles Corris rutes and 35 decorates of the control of

There will be a stathway frost the manifest which will be officied in the filling about the centre of the city, for passengine only. The inauguration of the works will take place about the 20th February, President Mitre and Governor Saavedra officiating.

IMPORTANT PROT CORDON FIVE DEPUTIES EXPECTED

On the 13th inst. the Chamber met On the 15th 1st. the Chamber met and ratified the late elections; it also sauctioned the national law of elections as applicable to the province. Dr. Echienique introduced a motion to expel the five members composing the moderate party, which was also car-ried. This has caused a great sensation, as the 'ultras' have everything their own way: the expelled deputies have notested. The actual Governor have protested. The actual Governor, Ferreira, was elected on the 8th inst. actual Governor,

Perents, was also all on the Shi man, and the Shi man, and the form, after the expitation of his term. The 'uttera' will gain the election for flowernon' the Condelin staff, has left for Villanueva during the last year his recruits for the National servey only number 14 men. The Brothers Buislay -On Th The Worthers Builday—On Thurs and yevening these acrobus gave a perforance in the Colon Theatre. The lance was the Colon Theatre. The lance was tall, there being upwards of 1200 people present. Some, who with ussed the feats of the Lees, say that the Buislays are superior to them. The that as it may, it is certain that the present company richly deserve the patronge of those who take delight in seeing dangerous feats of strength and dexterrity.

A Difficulty.—According to new A Difficulty—According to news from the other side, the Italian Consul-has demanded the dismissal of Don Servando Gomez, on account of abuses committed by him on Italian, subjects. Foreigners in the Banda Oriental seem to be at present in that uneaviable position generally designated as being between the devil and the deep sea.

vetween the david and the deep sea. Expected Ephd.—The two onposing orces, on the other side, are expected and to the engaged. Flores has, so ays Rumour (but she is generally a -1) 4.0. Vetteran, whilst Server, and this remains of the engage of the sea of the engage a fearfully long odds, which even Right can scarcely counterbalance. To quot Napoleon the Great (slightly altered Right is generally on the side of the best served artillery.

"Martin Garcia — A passenger, com-

sidly. Sheep are found to be very fame assembled; and wate me exappson, where new hoods are forming because the small hops as one knew with they old once which are not proposely early except the colory at. Heffedies the felleling tight to eathly that 800 of the incastly of Alefes had exerted. Bome reparted the Ric Negro and others had taken refuge in Buthos

Good Hatter.—Dr. Johnson said that to liked a good hatter. Had be that to liked a good hatter. Had be many objects of admiration. The editor of the Gardenya, spacking of the dislike entertained by the Tuesto military to General Urgan, spay. "Such is the said of the Gardenya, spacking of the with editin unter the grave, and even the place where his soul is placed after death." After this who says there cheered "O'Gonnell for even-and two days longer"!

Four Benter.—Since.

days longer! Frag. Since the shandon ment of this place by the seven men, left there by Yaras, there has been no garrison of either party in Fray lienter. For the present it has been looked upon a neutral ground—but in future it is sikely to be occupied by the Blaucos. Paysandu. A vened 'Javon'.

Raysandu.—A vessel cleared out yesterday for this thriving port with 100 empty pipes, supposed to be for the new saladere which Flores is the new erecting.

Dr. Terri.—Government has pointed this gentleman surgeon-into the national squadron.

to the national squadron.

Things not generally understood—
The leaders of the 'Tribuna'—the great
deeds done at ——the colour of the
'cruitos' and the ideas of the commandante of artillery—a woman's heart,
and a cut's eye--the conte and value of
what a 'cromist' says—a. husband's
value for his wife, that is, if all loves her—and the money he would give to get rid of her, if he bette get rid of her, if he bated her—and lastly, ideas and love.

listiy, ideas and tove.

Still on 'the ' gui wire.'—Passengers
arrived yesterday from Paysandu state
that the vanigaratio of the two 'armieliad been skirmishing and that a general
battle was almost inevitable. To morrow we should hear semething definite,

-OF TORLYCE

Since the change in the quintation Since the change in the aptrations from ounces to particious, there has not been so much business done in specie. Over twenty thousand ounce were sold, of which twelve thousand were for each. The indeer's assumed their wouted to raility; business was brisk again. The horders assumed their wouted to raility; business was brisk again. The general sold in lice a knilway, we here, are on expectating with the owners. In Exchange we notice over \$(140,000) passed to-day: the rate was 10x. 6d.

Patacones oneoud to-day at 28 35.

In Exchange we notice over £140,000 passed te-day; the rate was tife, £61. Patacones opened to-day at 28 25, and closed at 88 60, 200,916 pais, were told for eash. Total sold 322,414.
