EDITOR'S TABLE. Standard office of every paper published since the left of January. For many mopilis we lave not experienced auch a sovere demand of this Strangers, with sixpoirce and shillings, were up to eleven o'clock, flowing in. The number of recently arrived foreigners

The Buislay family seem to have outdone the opera This speaks badly for the public tastes. Sor, Pestalardo has gone to extreme expense in supplying with an excellent opera company, and yet, strange to say, our acrobatic companies seem to attract more attention than the lyric. Foreigners, however, as a general rule, prefer the opera and leave room for their Argentine friends on a robatic nights. This evening we have Traviate, with the captivating Madame Briel.

We regret to hear that in the Banda Oriental the farmers are beginning to experience a drought in several parts, particularly in the neighbourhood of Monteviden : the grass has completely disappeared, and the dust is becoming a nuisance. Colonel Olid scenis determined to carry out his scheme. He mined to carry out his scheme. He marched the other day to a place where the Government had a large troop of horses, and seized six hundred of them. The Tribuna' states that of them. The Tribuna some one. Olid has rebelled against the Government in favour of Flores, but this is incause he is tired at the lengthened con-tinuation of the Flores rebellion, and is determined to put the fellow down single handed and alone.

ngle handed and alone.

THE CUPITANIC VOCAN

It is not long since we recorded a barbarous outrage, committed by one of the myrmidous of that mediated institution, ruled over by the Captain of the Port. The high authorities of the State found themselves obliged to of these officials; and we had fondly honed that a enirit of decorum would henceforward characterise the renent at administration of the Capitania.

The complaint now before us is an unhappy proof that our port officials seck to gain themselves the reputation of a public unisance. Mr. N. N. of a public unisance. Mr. N. N. heads very valuable service to the trade and passenger traffic of Banons Ayres, by means of this whalebasts, and is well and forequently known to this basts has been sunk by the Capitaina, under the following circumstances:

atin, under the following circumstances:—

"It seems there is a regisition at the Cyplinian that no boat shall anchor within a certain distance of my "foliat" and the Cyplinian that no boat shall not be shall anchor within a certain distance of my "foliat" and a shall also a shall always a

order. On the whole, the occurrence is anothing but creditable, although nominally in fulfilment of a standing order, just as was the sentially assault on Consul Parish.

THE CHACO.

We have the great pleasure to advise our readers that the National Government has taken a step in the right di

General Ferré has been commissione to go to the Chaco with the object of treating with the Indians in a similar manner to that employed by the United States Government with its frontier

tribes.

The personal influence and local inmation of General Per é are sufficiently extensive to warrant the belief that he will be successful in his endea-yours; and this innovation in Gayern-

nent policy is very creditable to our riend Dr. Rawson, the Minister of th Hend Or, nawson, the annucer of the Interior.

General Ferré lest a fortnight age, per Pavon, and we suppose is, at this time, actively ongaged in the scene of his labours.

COTTON FIELDS OF PARA.

Itaugua, Jan 4. 1864, Having rested nearly four hours at Pirayu, I obtained fresh horses and left my compliments for the Gefe of the district, that functionary being askep. Here I may remark that it is usual for travellers to visit the Chief of each village they pass through. A postilion accompanied us for half a learner, and the horses were so miserable that 1 wondered he gave himself the trouble to come for the purpose of fetching them back. The storm of yesterday seemed to rounra with double force, for

the still buring rays of the sun. We find yet three hours journey before us. In the result of the process of th

unless ones falls away it is instinity replaced by a new one.

The road passed over some massly, ground till we came to a rivolte, where some hows were bathing; after this, much underwood. Huts and gardens less frequent; the hills on the right receding, the Cordillera appearing nearer and more gloony. The luraes less frequent; the hilts on the right receding, the Cordillers appearing nearer and more gloony. The horses are not more gloony. The horses arreved at the Sid post, and to our constenation no fresh ores could be got Nocations the store historical, and with Nocations to the store the Nocation of the Post of the Cordinary, where our postilion left as, and having recourse golden for Porsquare, which lay behind a very "a vest to that if of S. Tomas. Som after smort, it commenced to "every" a vest to that if of S. Tomas. Som after smort, it commenced to every "a very "a ve

300 children, for the neighbourhood is very populous. Sr. Velsaques, obliged me and my guide to remain for dinner, which was severed up in first rate style. The day looked locally, and instead of taking 'siesta,' I ordinered the horses and grave the word 'yasha' (in French 'en awart), etting out for Itô at a smart sallon.

RAST MERCEDES TRAGEDY.

A Iridiman murdered by a The following perition has been laid before the Criminal Judge of L. Instan-

eia. During a month the assassin wa allowed to go at large, but at length the authorities were induced to arrest him, and he is now in custody.

I. Maurice Connell. neighbour of

Villo Marcedes, aged 25 years and upwards, deckure that a horrible crime and outrage has been committed by the authorities on the person of my so (since dead), for which I come to demand justice on the culprit, that when the case is proved be may be condem ned to 5 years imprisonment and to pay costs and indomnities. The crime being an abuse of authority is thereby aggravated, and the following are the particulars, to which I certify on oath, and which are confirmed by eye-wit-

les Connell was sitting in company with several friends and relatives, in the seem as if this and, the acquibbring list. Osmeil was atting in company plants in the mean of the company plants in the company plants in the Carro Fortobo, so calcula lescates a R. Ayrean involved for the company of the company of

I topped to curr his words and brother niles was were inside.

Scarcely had up son turned around revenile blow, and three his how territine blow, and three his into the creet under the horse. Eet. Then drawine, his word he inflicted as many company on, until the latter succeeded in seizing his area. At the same time when all the spectators were horse, and without waiting to enquire the territory of the control of the contr

your Worship.

The Justice of Peace was then informed, but he has shown himself an accomplice in the crime, for, although, requested, by there presons, six times, to institute a process, he refused to do anything, stating that "probably the English themselves were to biame." anything, stating that "probably the English themselves, were to biame." The witnesses who can vouch for the truth of this my declaration are: Pran-ciss Mc Kernan, Michael Mc Dermott, John Carmely, James Carmely, Fran-tos Cherry, Michael Kelly, John Kernan, Federic Swinzel, Fran-tos Cherry, Michael Kelly, John Krist-per Cherry, Michael Kelly, John Krist-per Perrant, June Casanova, and other neighbors of this town, all eye-witnesses.

witnesses.
These facts being established, it will These facts being established, it wi pear that the crime was committe Diaz, with the direct complicity c caniel Quiraga and the indirect cri-nality of the Justice of Peace. Buenos Ayres, Dec. 17th 1063.

Buenos Ayres, Dec. 17th 1063. We oneleasted that the unbappy ictim of barburous police officials dide a great suffering, and the afficted fa-tily has recurred to the British Minis-te for relief. The conduct of the Jornal or of Peace reminds us of that of his orthy conferer of Guardia Monte in the former tracely, fully bearing out worthy conferer of Guardia Monte in the former tra-edy, fully bearing out the former tra-edy, fully bearing out in search respecting such authorities. It behaves fovernment to take some steps in the matter, his we have little hope of change under the 'dinitative of Sen Acosts, who has a paternal affection for camp furtiers.

We hear that the works of this line

re not to be contined beyond San valuable againstion to the company, in pointing out the advisability of establishing three transpays to Las Conchas, the Tigre, and Carapa, especially as if the locomotives are brought up to the Cust on bouse, the omnibuses horses, &c., of the tramway will be

icless A transway to Carupa would b ing A transway to Carapa would being into the Northera line almost the whole of the passenger traffic from the Northera districts, now travelling by the Western road into bown, at the same time Lac Conches and the Tigre are suborthan situations, rapidly rising into sufficient importance to deray the small expenses of the transways,

THE PARAGUAY MAILS

We have the 'Semanario' of the 16th inst., on which day President 16th inst., on which day President Lopez reviewed the garrino, 'en grande tenne,' A ferival took place at Trainshol on the 11th inst. 17 bulls were baited and killed. The weather sas a little celebra, as plenefild rish land so that the same state of the same state tleague, to well from M. O. oxonic roots misprint, calculating this year op at "10 to 15 thousand arrobes inted cotton;" for arrobes, real ms. A new committee of the Club as been elected for 1864, under the of Colonel Barrios (brother-

to your ignorance of the individu. I whom you therein libel, or to a vides the party spirit ever proue to insult, or in fine to make vain show of severity of principles, that you necuso J. Moren-Resas (Biof of Police, of having per mitted outrages on the part of his sub-

mitten outsiges on the alterns.

I defy you, sir, to cite a single case in aumport of your assertion. During my father's seven years of office (1845-52) he never suffered anything of the bind to assume that the seven was a support of the bind to assume the seven was supported by the seven w 52) he never soffered saything of the kind to pest supusible. It will give you a proof. After the fall of Rosas kind to pest supusible. It will give you a proof. After the fall of Rosas you in office, under the new order of things, and yet during this interval not is a single compliant, injurious letters to tellunds. Nay! his very confidential gents were constitued in office, anter him, and are, still no. Perlays what him, and are, still no. Perlays what the proof of the proof of the proof of the proof condequation. But why these false and grantions. But why these false and grantions I thray be early understood that it is

libble?

It may be easily understood that it is easier to criminate the absolute power of such an office, than to prove any of these vague assertions. And indeed the importance of my father's post sorves still more to establish his integrity, since after his removal not a just the importance or my consistent of the consistency of the conduct of a man who, in such hazardous times, watehed over public sculutes of confirmed the conduct of the conduct of

Rosas.

I will say no more, as my only object

I will say no more, as my only opposite this communication has been to clear my father's name of the calumny contained in your correspondence.

Deave, Morexo.

B. Ayres, Jun. 25th, 1864.

MEXICO
