CAMP STATISTICS

MARRIAGES,

The number of marriages in the camp is little over that in town, and the mortality is also nearly even. But we bave positive proof that the population in the camp is double that of the capital. in the ratio of births, which is the trues in the ratio of births, which is the trust | man may be calcumisted, and how un-indication. Dobores stands firsten the | just it is toforce amone to fight at law lik (182), next Chivilsoy (170), then ISM Nicolas (130), Barracas South (130), and Villa, Mercedez (116). Sew have been so often the victim of (139), and Villa, Mercedoc (116). The lowest on the list are Eshia Blapch and San Juste. The properties of colored people is 0 per cent, Jand these rae not numerous in Chivilleay, forming one-fourth of that return, in Arrecifica mone-third, in Bahia Illarca conscibility. In the property of the property of the property although they are to be found upon the property of the propert

one-turn, in them attack encending, in the company of the camp, propose, although they are to be found in every past of the camp. We have seen that you had no very past of the camp, we have seen that you had not been as the camp in the camp, being at three in five. But whereas only 25 great, the summer in the camp, being at three in five. But whereas only 25 great, the summer in the camp in 72. The proportions of native and foreign marriages seem in next, theing set down as matter 50 p. S., foreign 12 p. S. and the camp in 72. The proportions of native and foreign wife. Consequently, of all foreign event of native husband and foreign wife. Consequently, of all foreign event of native husband and foreign wife. Consequently, of all foreign event of native husband and foreign wife. Consequently, of all foreign event in the foreign and the camp in the camp is the consequently of the foreign into the foreign and foreign in the foreign into the foreign into the foreign into the foreign into the foreign in the foreign in the foreign in the foreign in the foreign according to

The birdls for 1602, according to church reports, were 10,019, being in the ratio of 50 to with marriage-tagainst. 5 to 1 in the city; and 12 to 6 with chart-against. 5 to 1 in the city; and 12 to 6 with a splendid return, and if we end to applied, we talk lose that the care is increasing tapidly; for whereas the city only gave 4 per cost, the former cost, the contract costs only gave 4 per cost, the former cost, the contract costs. And cost of the city of t the whole was a samuel, a "Ve security of the both of the or to be.

The 'N visional' once charged ourself with a scaling coulon, but as three was inquire the "Telluma" to defined as the control of the or

cilidien. Ili 1814, when marriages well usually ububle the Frum for 1862, the minber of bitths was 16 per citis, less thing the year before us.

[To be continued: A great deal of robbery is going to in this partide, and some fellows are

EITTOR'S TABLES

The coccessory of the first old of coccessory of the first old of the first old of the first week of March. The preparations are no a grand scale. The preparations are no a grand scale and its affers will be worthly of the order of the contractors. The print of improvement of the contractors of the new plana will soon be a centre of life and commerce, being near the terminus. We are every day besieged by num-hers of persons steking comployment on the G. Southern railway works, and always refer them to Mr. Crawford 76 calle Lima: that gentleman feared a dearth of labor, but we anticipate a

ethora. The latest news of Florer, is that he

TO POREIGN RESIDENTS Since last Monday the ' Progres' has been the object of most virulent attacks.

on the part of the 'Tribuna' and Nacional,' All further explicitly removal to the most state of the most reasons trace more or less actionations, but vulger contunely in all its naked differently: pervesse defanation, foul and venemous libel. We hadcivilised world of letters, and cannot follow the path so familiarly tradden by our slanderers. The public has mission, and would blush for us if we descended to the depths of social depravity. Meantime, it will surprise no one that our adversaries continue

their dirty work : such is their natural habit, condition, and taste. Unable to try a question on its proper ground, they roll in the mire in order to besmear their besters.

They are enraged that the ' Progres,'

from time to time, calls them to or er: and therefore try a method to get others to do what they themselves durat not attempt. The whole town of Buenos Avres is solicited to attack our office and throw the types into the street. This is Indian fashion: for it is necessary to get rid of unmaniserly fellows who insist on fair play. Who desires the end, desires also the means the 'Nacional,' although boiling over with hatred to foreigners, begs of them to turn upon us: the 'Tribuna' calls this sublime, and joins in the chorus. These base mannuves are practised in daylight before the public, in spite of the precepts of common decency. Sen-sible folks are disgusted at the baseness of such public prints, seeing the cloak that is used, and the ultimate object

A newspaper has usually 1, 2, or 3 A nowspaper last usually 1, 2, or 3 citions. Whenever an article treads on any one's corns (as soldiers are deen, and no paper can keep a body-querit), the chlor unawers individually, or if two to two persons, or four to four, but never one to a hundred. The 'Iribuna' and 'Nuclosal' have other tastics, but that is not strange; tastes differ.
