SATURDAY, PRESCREEN 13, 1861.

ELECTIONS IN BUENOS AVRES

The heading of this article has un-sappily a very bad odour, and suggests dea of brick-bats and revolvers, instead of the great privilege of citizen-ship. Disgraceful riots at church doors nce before our imagination, and there such a mixture of everything hely and profane, sublime and ludicrous ther the heroes of these orgies are devils or lunatics.

That respect which every real gentle

man, of whatever class in society, shows to the abode of royalty or court of justice is denied to the Temple of the Most High, and misconduct, which would not be attempted in the saloons of President Mitre or rancho of the rudest peasant, is impiously enacted descends to hear the prayers of his worshippers. The divine authems are interrupted by the yells of infuriate ruffians, or the groans of some murdered Where the ministers of peace explain the Holy Writ, a group of armed rowdies convert it into a pande-

Nor is the civil aspect of the Nor is the civil aspect of the case less disgraceful. We read, in Grecian history, of Aristides writing down a man's vote for his own banishment. The magnanimity of these old republicans cannot be expected now a days, but at least the polling booths should be lican cannot be expected non-adapt, left by the at least the polling loods should be accertible to all. A citizen who goes the covereit the right of franchism the cerecise the right of franchism the cerecise the right of franchism the cerecise the right of franchism the towards and as the towards and as the towards and as the towards are all their own way, the body mose, if not wrone; and all the considered in such a maner. One party has the strength are to a considered in such as maner. One party has the strength are to a considered in the constitution of the

no harm, as he will learn, after a little pacilamentary experience, for he will have to rough it at times, and may cause his party, at the critical moment, to win the odd trick, but in this legis-lative game, honors are not counted. To follow the simile, there are many small cards in the Congress pack, but when played to advantage they get a trick or two.

no. int Mitre lies already taken and if he follow up the same ill exhaust his opponents. We now what he has in his hand, stakes are considerable risk is in here. know what he hat in his hand, e a stakes are considerable, and y risk is in having such an inour printer as Sawcdra, who, if a not deal fair, may have to cut.
if a not deal fair, may have to cut.
if the constraint is a not deal fair, and the sawcdra, who is not lifting, and, risk thought experiment of the knave. No matter how, y game go, Mitro, we are as shall win the rubber, or, to use and metaphor, if they excel to him off the cuthon, he must, him off the cuthon, he must, and have the constraint metaphor in the sawcdraint metaphor, if they excel to him off the cuthon, he must, and look out for a long rest.

WIRCH OF FLORE

RITTLE OF SAN JOSE From the Montevidean papers

"It was positively known that Flores on the 1st inst., had crossed the Quegusy, coming from Dayman, in the direction of Arrungua, leaving chind him about a third of his forces. The National army was following fast on his heels, in two columns. It was supposed that it was only a portlon of supposed that it was only a portfor of the army that was coming down on Florida. Passengers from Durazno state that it is Flores who has come next that whee with only a few man eaving the rest with Ca raballo. letter from the camp of Gomez says, that the men are in first-rate fighting "that the nies are in fine-rise flyding-order, both with respect to discipline and enthusiams, and that they are more likely to the than run away." To-morrow (30th January), they are to continue their murch towards the frontiers of Tanuarenbo." The Firristant had completely acked. The Firristant had completely acked. Dox Antonio Cagerre. A letter from 34th, 6th inst, states that when the Overnment troops ad-table that the college of the properties of the that when the Covernment troops ad-

is the womane. Weekle under Erick the Archive the Color annihilated by 'closed Coonel. The 'Impurial' (fad intal) Coonel. The 'Impurial' (fad intal) exports that Frey Bentes has been taken by the relief General Varsa, with capital that the control of the Color annihilated by the Color annihilate he outposts on the 10th; this looks ike expecting a siege. The Florida diligence relates that

The Florida anigonee remarks state some Government troops, under Servando Gamez, were crossing the Yi on the morning of the 7th, in het pursuit after the robels, at Paso Polanco. The Reformal contradicts the death of Waldino Urquiza.

The Police-report on Carnival The most absurd document evenublished is Sr. Cazon's letter to the Minister of the Interior, which says;

multished in Sr. Cazon's better to the Musice of the Interior, which says; "I have the pleasare to inform your Fx, that during Carnival time, of the last three days acting of you be concreted, the control of the Carnival time, of the last three days acting of you have been as the control of the Carnival time, and the scape of six flowers and deep by a gang of you have been as the control of the Carnival time, and the scape of six flowers and the scale of the Carnival time, and the scape of the control of the Carnival time, and the scale of Garcia. One of our absent time as the control of the Carnival time, and the carnival time are yet decert, inoffensive, man. Yerly we should like to know what may be control of the control of the Carnival time as every decert, inoffensive, man. Yerly we should like to know what may be control of the Carnival time are yet decert, inoffensive, man. Yerly we should like to know what may be control of the Carnival time are yet decert, inoffensive, man. Yerly we should like to know what may be considered in Japon are considered more bagadesie in Hueson Ayrean, every day life. We are fast tending to the control of the Carnival time of the

SHARPAIN EIGHT We are credibly informed, that in

the house of one of our principal millionaires, a terrible fight trok place, during the last day of Carnival. The combatants were principally foreigners. At an orly hour, the French forces took up their position, and succeeded in strengthening their lines by seizing all the cold to tongues, plates of 'blancmanges,' and throwing up a long extended ' cheveus de verre' of wine glasses, before their adversaries had made their appearance. About mid-day the British forces came in sight, and stutioued themselves right in front of their adversaries, in such a manurr as to cut off all communication with the baggage in the drawing-room. The British threw out some skirmishers armed with 'Tennants,' and succeeder in driving back their opponents, who had a large park of Parrott's cham-pagne guns; these being reinforced by a squadron of light wine drinkers, managed to regain their position, when a hot fire was opened upon them when a hote fire was opened upon them by the loft wing of the enemy. By 5, p.m., storkes were thrown to the winds, and every man fought as though the final result depended upon his mind, and every man fought as though the final result depended upon his them to be a subject of the storker of the subject of

NTANDARD PROPHECY,
In last Saturday's paper (8th inst),
our readers will find an article "Sleepy
Justice" in which was the following
par graph:
"The murder of Kirby and Devere is
still fresh on the minds of their country,
one; we remember how the authorities
failed to seize the assassin, and how the
Trish farmers litted a man who ultima I rath farmers hired a man who ultima tells succeeded in arraving him. He was distinctly identified, and the watch and bosts of Kirby were found on his per-son. Months have rolled over yet society in not rid of the monster, and soon perhaps he wil be released from prison to return to the scene of his conormities."

Forty-eight hours afterwards this no Forty-eight hours men and a reason arious assassin escaped from the prison and is now at liberty.
