*All bilst nadens hit verl non audenm direce - Green TRIDAY, MARCH 4, 1804.

Is there any benighted individual is this great city who is unarrays of the fact that we have a Medical Board? If there he let him set himself down as the most ungrateful of mortals; for the Junta de Hygiene watch selici-tously over his health, even while he slumbers, and, like a guardian-angel. all unseen, ward off from his privileged person the diseases and epidemies of countries less favoured by the faculty. The public pays liberally a staff of physicians, whose private practice being limited enables them to devote all their care to the general health of the city.

If we do not see any tangible results in roturn for their salaries, let it station on which the steamer runs. It not be argued that the members of so the argued that the members of the Medical Board only a sincern state of the best of the Board work to the English decent is the public capeac, and leave all the hardwork to the English decent is build alive between the public capeac, and leave all the hardwork to the English decent is build alive between the best published, it would be the mentality list is published, it would be under the contrary, our medical market of the contrary our medical market of the contrary, our medical market of the contrary out the contrary is true these pictures in different etcamers have different names, but they the Medical Board enjoy a sinecure at the public expense, and leave all the are all the same; and on the same prin-

It is that that Aircs, the French banker, bight here it is produce banker, begind his fortune by publishing a daily report of these who died and the decture who had attended them, until the batter bribed him handsomely to multitheir names. We do not, however with which we were frightened omittiner names. We do not, however require such an encoachment on the faculty, but there should be some pub-lie return of the name, age, and illness of the deceased.
