This vessel will engage cargo at a very usolerate rate, and can receive immediately in the inservoads. Our remarks on the monstrous va-luation, by the Provincial Govern-ment, of real property in the camp, causella good deal of attention. The fact of the matter is, that people are beginning to open their eyes to the facility with which Government, with facility with which Government, with continerasing the rate, augments the taxes. The valuation of property in some of the parties is an outstready, incorrect, that the Minister should have pausely before he published such a book as that of the Contribucion Directs.
