We only refer to the matter to show what non sensical trash finds room in some of our native papers. Judge Rodrigo, instead of coming before the public in the

newspapers, should have committed the defendant for contempt of court. The clerks of the Nacional Bank are again clamoring about their salaries. It appears that these gentlemen are in every respect Government employees. Such being the case it is most unjust, unfair, and improper that, as all the other provincial clerks have received an increase of salary, the bank gentle men should be forgotten.
