### HOLMAN'S Liver and Stomach Pad

Cures without Medicines

An efficacious remedy for all diseases having their origin in a torpid liver and diseased stomach, has been discovered in the Holman Liver Pad. The inventor of this boon to suffering humanity was himself a victim of chronic disease, and having tried medicine in vain, conceived the idea of an external remedy. The pad applied tenderly over the stomach and the centre of the nervous system, liberates all poisons and diffuses a vegetable tonic throughout the entire system, and cures the pores and by means of the circulation. The torpidity of the liver is thus removed, the tone of the stomach restored, and the organs resume their wonted functions. Finding that the principle worked successfully in his own case, the inventor has since tried it with the most beneficial results. The name of a large number of well known citizens in all parts of the country, who owe their restoration to health to the Liver Pad, attest the genuineness of this great invention. It requires no internal medicine! It is simple, painless, and rapid in its operation, applicable to children as well as adults of both sexes, and in case there should be no disease, the system is invigorated, doing no harm. Persons who are laboring under the virus of this Pad, will do well to send for a pamphlet to the Agency.
