Few things reflect more clearly the general improvement of the Plate than the report of the Nas tional Bank, which is now before us. The history of this bank is but a portion of the history of the country itself. We have seen the bank in the dark years of crisis dragged down to the very brink of ruin, with difficulty keeping its doors open, paying no dividend to its share-holders, and its notes ostracised from circulation. Yet in a couple of short years all this has changed, and to-day we find this institution banks of this country, doing a busis 32 millions of sheep without land length and breadth of the Republic partment not only the great advantage of this country, doing a busis and length and breadth of the Republic partment not only the great advantage of the most curious perhaps of any on the most curious perhaps of any of the most curious perhaps of

GILLARD'S SHEEP DIP

This Dip is most carefully prepared by the steet improved methods and can be used with COLD WATER Supplied to the Prince of Wales's Farm at SANDRINGHAM TESTIMONIALS.

From Mr. John J. MAHON, Capilla del Senor, June 29, 1881.—The dip which you sent me I used according to directions, and I sent me I used according to directions, and I can assure you that it gave the desired result. During four years of practical experience of curing soab in sheep, I have seen many specifics used, and I consider Gilliard's the only one that gives complete satisfaction. It improves the quality and promotes the growth of the wool. For efficiency, economy and facility of application, I prefer it to any dip I have used. From Mr. James M. Thomas, Estancia Santa Ines, Monte, June 29, 1881.—Having given a good trial to Gilliard's Dip, 1 have esta rara ocasion de colocar por una much pleasure in bearing my testimony to its valuable quality as a Sheep Dip.
