The following is the balance-sheet of the against these members. Another member is under trial by the Committee for a similar offence, but we are not sure that any of the three get justice when their conduct is measured not by Rule 57—itself a very vaguely worded one—but by the habits of brokers in general. Some clear definition of the term general. Some clear definition of the term "clerk": is required, and if the rule is then to be made operative it must be equally, promptly, and universally enforced. In all these cases nothing would, we believe, have been done, had the Committee not been spurred from outside."

wool market last year will be found most interesting:

"We have received the accounts of wool commerce in Germany during 1883. The total imports are placed at 1,946,000 cwts, against 1,882,000 cwts. in 1882, and 1,667,000 cwts. in 1881. The exports were 521,000 cwts. in 1883, 568,000 cwts. in 1882; and 526,000 cwts. in 1881. The wool merchants of Germany are, on the whole, satisfied with the results of 1883, which were favourable, owing to the scarcity of some kinds of colonial wool.
