Al llegar por el vapor Thales ing of the General Bond of the Thirty Million

allow another break in the speculation affairs. Many who beared heavily have turned round as usual and have bought thousands t Elejidos espresamente para la bearish victory will not be very promising.

The market this morning opened very firm, fluctuated violently at 150, then rose buoyantly to 151, and was pushed with much effort to 1512; the market closed very weak at this

Al mejor precio y al contado stock began to fall again. Nine thousand shares were sold for the end of the month; EN NUESTRA CASA this shews the importance of this morning's praced 2,500 shares; rates opened at 152, fell to 151, and closed at 153. Two hundred the 30th at 70 and 69. garan al pais con el vapor Thales.

Los animales que ofrecemos forman el mas selecto lote de Lincoln que se haya presentado

The fitful starts of the share market are remarkable. Three days ago the stock stood at 1523, yesterday it tauched 1453, and this selecto lote de Lincoln que se haya presentado en remate, han sido elegidos entre los mejores morning it closed at  $151\frac{3}{4}$ . Such violent fluctuations have led to very important transac tions, and many operators have been obliged to plunge much deeper into the vortex than

they expected, in view of the sudden turns in exportacion de carnes asegura para los productos y cruzas de raza Lincoln una venta co-losal que puede ser la base de una gran for-losal que puede ser la base de una gran for-But it appears that large amounts of money Estancieros que el Sr Getting recibira por el points to bullish prospects. vapor Lamport, un selecto lote de 30 hermosas One thousand Cedulas One thousand Cedulas Series E were sold veias Lincoln.

cash this morning at  $88\frac{7}{2}$ , and  $85\frac{7}{2}$ 600 Series F Las mejores venidas at Rio de la Plata, to- at  $83\frac{1}{2}$ . Both ruled very weak and dull. as servidas por padres notables. The London & River Plate Bank was the Este lote llamara la atencion de los estan first in this market to receive the telegram the 30 Million Loan. The telegram was dated

Morgans announce 30 million loan. Superior Camp with permanent water, situated in the partido of Necochea within eight leasures of Tandil.

Later on in the day, however, other telegrams were received, all confirmatory of the news, some stating Bond signed and loan business settled.' Others announced the notice of the loan in the Times by Morgan & Co., and moreever stated: "fluctuation in stocks, more speculation, reaction immediate; money market favorable."

In the midst of such great good news there were not wanting, however, parties who stated that contradictory telegrams had been received, but it was mere rumour; we saw none of them, and believe them to be as apocryphal as the telegram in London announce forzoso' out here. Speculation both here and in London seems to have reached an unpreedented height, but the credit of the Repu lic was never better, and all who believe in the country in the long run come out all right. The real meaning of the news to-day is the return of at least three millions sterling capital that was shipped out of this country pessimists and others; the money may brought back now, or remain in London at

Nothing reported in the exchange market this morning, but the news of the loan has produced a healthy feeling in the dull state of affairs. The money market shews no change; the private banks hold back, but

Our colleague, Mr. A. Gache, was the first n the market to-day with a telegram from London to Dr. Plaza, Minister of Finance, announcing a rise in Argentine stocks and a return of confidence in the market. This telegram should have been posted on the board, be finished about next Septem and we call the Secretary's attention to the matter, as the refusal to do so has annoyed seado, starts to-day for that port. He will many members who expect this will not occur call on his way down at Bahia Blanca to re-

The following were the sales at the ring during official hours :-For cash E 1,000 at 88% For cash F 85,500 at 831 National Bank Shares-

For July 31st 2,500 at 152-151½-152-153 Billetes de Teg'ria. National Bank Certificates, 40 o/o paid— For June 30th 200 at \$70-69 There was great complaint in the exchange market to-day, owing to the Provincial Bank refusing to give bills for the French packet, which sails on the 24th in t., and as a matter of course all the brokers at once rished to the Edificio del Banco....

National Bank to apply for bills, Over two hundred brokers called at the National Bank

Id menoi hundred brokers called at the National Bank this afternoon, and the matter was so much talked of on 'Change, and the complaints not only of brokers but of merchants, were so general, that we called at the National Bank, where we were informed that since last Monday the lists were open for 'pedidos' for ex-sterling—£81,000 and that for the previous mail, that is for the little inst., the National Bank gave bills for Caia—

franca-1,102,000 These large amounts drawn for two packets show how liberal the National Bank has been Existencia en metales. in giving its bills at rates so coveted by the market, and although we are not in a position to say how much the Provincial Bank has 4 de Oct. de 1883.... 

against. The whole market is loud in its complaint against the tremendous exchange blunders of the Provincial Bank, which merchants insist date from the leaving of the bank by Mr. Tornquist; and there is a general enquiry in the market about the Cedula operations of the ProvincialBank. In a matter of such great importance to the credit of the country and the welfare of the market it is difficult to offer any opinion, but were exchowhat we hear. All the mercantile community complains, and many insist that the Provincial complains, and many insist that the Provincial Bank in recompense for the fiscal privileges it enjoys, and the right of emission accorded methods.
