Dr. Arata had an official look at all the Shares, which manage to sustain their 3,371,897.36 "conventillos" in the Boca, and says that, rates; but the boom that was generally exlike the Devil himself (We mean the member of our staff who figured in the cricket match the other day, not the original D.) 5,683,250.75 they are not at all as bad as they are paint- increased depression. Everything is dull ed, though by no means suitable as resi- and depressed, with exception of gold, a 235,483.529.36 dences for millionaires. A certain number of them, however, are so bad that even Gold operations at the first hour emthe Devil himself couldn't live in them, braced about 21 millions, pretty evenly and he has ordered the inmates to clear divided for all dates. For cash \$300,000 out and find more decent quarters.

There are a good many cyclones knockfalling to 30, and closing at 152.50, rising to 60, falling to 30, and closing at 152.60. For out and find more decent quarters. ing about just now. Carmelo, B. O., had to morrow over half a million was done, a visit from one the other day, and several opening at 152.30, rising to 60, falling off people were killed and a lot of damage was again to 152.20, and closing at 152.70. For

end of month the tendency was slightly The North wind! Those who are scep- firmer still, the quotation opening at 152.40, tical as to the ill effect of the North wind rising to 70, and then declined slightly

hew that the people are ever the masters of their own destinies.

I firmly believe that rectitude, calmness, and a spirit of conciliation can restore to your province the tranquility it so much requires.

Your sincere friend,

C. Pellegrini.

Head. On a previous occasion he made an unsuccessful attempt to destroy himself and unsuccessful attempt to destroy himself that there is the people are ever the masters of their own destinies.

Letters from Necochea say that there this down a great number of bathers there this deen at all fortunate during the past four months.

The list of gold and silver medals, diplomas of honor, etc., given at the Rosario masters and a spirit of conciliation can restore to your sincere friend,

C. Pellegrini.

The list of gold and silver medals, diplomas of honor, etc., given at the Rosario masters and a spirit of destroy himself are a great number of bathers there this duminum and the past four musuccessful attempt to destroy himself and unsuccessful attempt to destroy himself fall was stemmed, shewing that there is still a general belief in a "descubierto." For end of February a similar scale of operations was effected, and there can be no longer any doubt that 154 is considered an exaggerated rate. This means a certain amount of balm of Gilead for the outside plomas of honor, etc., given at the Rosario was a fludustrial Club gin warket, where there was a rooted appre-
