OF THE HUNGARIAN ORPHANS AND TRIPLE

promise of more, which I trust to be able
to send you to-morrow or on Monday.

disturbance and unfortunate loss of his
office residence.

On the western part of the island and
opening on the river Santiago, the transit
part, with galleons, will be made for
the first time since the late war.

It is not probable that the Govern-
ment will ask for an extraordinary credit
for military purposes.
