On Sunday last a very excellent meeting was brought off here, the fields being large and the racing exciting. It was a good performance, in which luck had a large share, for the winner could receive no assistance from his

rider. A very pretty finish was seen in a yard, but having, through excitement, the Premio Estimulo, heads only separace was seen in the Premio Rivalidad, Signet with the assistance of good jockeyship beating Casal's celebrated pair, Phidias and Pasha, somewhat cleverly. Revelacion had an easy task in the Premio Satelite, but Mariscal's task in the Premio Intrepidez was more arduous, he only winning after the most careful handling and front of Signet who, however, made un nursing. The trotting-race was most properly annulled.

quotations. This is all the more satisfactory, as a general decline was anticipated, owing to the tremendous upward spurt on the month. There is no doubt that an easy money market is mainly responsible for this, and, furthermore, important transactions have been effected by the Pobladores Railway Company, General Pobladora Company, and Sud-Americano Bank, which amply account for the appropriate contract with Mr. Ripolls, owner of the s.s.

Rational Bank Shares, Credito Real and Constructors, which shew a more modest improvement, the dividends falling due for the quarter and half year have no doubt influenced buyers of these stocks. National Bank Shares advanced at the ring to-day to 265.50 for end of month, and closed at 264.50 buyers, the same rates ruling for July. Pobladora Shares were in such remaining in charge of the business, assets brisk demand at the opening of the ring that the quotation bounded from 224 to 230 almost in a moment, but so many sellers then made their appearance that the time of Montevideo, in a leading article rate fell gradually back to 223, at which it calls attention to the results of the workclosed.
