Dr. J. Collis Browne's CHLORODYNE. THE ORIGINAL AND ONLY GENUINE

Advice to Invalids.—If you wish to obtain quiet refreshing sleep, free from acadache, relief from pain and and anguish, to calm and assuage the weary achings of protracted disease, invigorate the nervous media and regulate the circulating systems of the body, you will provide yourself with that marvellous remedy discovered by D. J. Collis Brown, (late Army Medical Staff), to which he gave the name of CHLORODYNE, and which is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis, CHLORODYNE acts like a charm in Diarrhota, and is the only specific in Cho-CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpi-CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From Symes & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 5, From Symes & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 5, 1880. To J. T. Daveaport, Esq., 33, Great Russel Street, Bloomsbury, London's Dear Sir,—We embrace this opportunity of congratulating you upon the widespread reputation this justly esteemed medicine, Dr. J. Collis Browne's Chlorodyne, has earned for itself, not only in Hindostan; but all over the East. As a remedy for general utility, we must question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other crands, we are so sorry to say, are now relegated to the native bazaars, and, judging from their sale, we fancy their so-journ there will be but evanescent. We could multiply instances "ad infinitum" of the extraordinary efficacy of Dr. Collis Browne.s Chlorodyne in Diarrhoea and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative that have occurred under our personal observation during many years, In Cheleraic Diarrhoea, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's from a owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate Breach of Faith on the part of the Chemist to prescribe at d Patient alike. We are, Sir, faitfully yours, Symes and Co., Members of the Pharm. Society of Great Britain. This Excellency the Vicercy's Chemists.

Caution.—Vice-Chancellor Sir W. Page Wood stated that Dr J Collis Browne, was, undoubtedly, the Inventor of Chlorodine; that the story of the defendant Freeman was deliberately untrue, which he regretted to say, had been sworn to,—See "The Times," July 13, 1864. Sold in bottles at 1s. 1 1/2d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government stamp. Overwhelming medical testimony accompanies each bottle. Caution .- Beware of Piracy and Imitations.

0 75.60 The feature of the morning's business was brisk animation in Constructors, which hanged hands in large lots for cash and a trifle down, and it is said that some parties are unloading heavily, but buyers are numerous, and as a large dividend is on expected, no heavy decline is anticipated. The purchase of several lots for end of December at 155 and 157 attracted much attention, being an advance on the actual rate of some 20 points, and it is thought that the buyers have done a risky business. In the sovereign stock there was a leaden dulness prevalent all through the hour, and only at the last moment a solitary sale of 100 shares at 265.50 for end of month was quoted. It seems that both bulls and bears are afraid to burn their fingers with the stock until the syndicate shews its hand. Catalinas were a trifle down, falling to 161 and closing at 162. Flores Con structors were also a little weaker, and Credito Real, which "boomed" so unexpectedly yesterday, were totally neglected. Bolsa Bank Scrip seems settled down at 63.50 for cash. Sud-Americano Shares were done at 104 for cash and 109 for end of month, which shews a decline; but it must be remembered that this stock quite recently was quoted at a heavy discount, and is now at a fair premium, and the news was published to-day that the Board has secured a loan of £100,000 at 4 p.c.,

which is a good business, and accounts for

and Pobladores Scrip were quiet and firm.
