PROJECT OF LAW:

Art. 1st—Approval is hereby given to the "ad-referendum" contract between the Executive and Mr. H. G. Anderson, in representation of a syndicate, for the purchase by that syndicate of the Western Railway.

Blemishing shadow of suspicion.

A general court of the Governor and Company of the Bank of England was held on March 20 to "consider of a dividend." Mr. W. Lidderdale, the Governor, who presided, opened the meeting by stating that the net profit for the half year ended on February 28 last was £770,624 5s. Iod. making the amount of rest on that day stating that the good advantage, selling freely and forcing the rates down point by point until they stood at 242.50, the lowest point reached.

As soon as the bell rang, gold opened with a bang at 245 for cash and 244 for end of mouth. Buyers filted the rug and snapped up everything offered, so that in the course of a few minutes the rate har bounded up to 247; then came the first dealy.

Minister Unburu does not say that he will discount nance any future issues of paper money; with the natural reservation of a ficancier who does not know as soon as possible, and the sooner the figures are published the course of a few minutes the rate har bounded up to 247; then came the first signs of wavering, which the bears turned to good advantage, selling freely and forcing the rate down point by point until they stood at 242.50, the lowest point reached
