Belgium . . . 1.55½ fcs. Satisfaction lent a pleasing expression o the aspect of the market to-day, and lthough, truth to say, the news of the spension of the State Banks, the univocal preliminary to their liquidaion, burst like a bombshell in busin quarters, the impression after the first moment of surprise was one of unfeigned approval that the Government should at last have taken the bull boldly by the horns and attacked the foundation of error that has brought the market to such an extreme state of crisis and ruin. The Ministerial promises, therefore, this time are not pie-crust. Emission and 'curso forzoso" have hidden their heads, resolved upon. No wonder that with

the ounce at 53.70, or say over three dollars under the opening rate, shewing a fall of 20 points on the old gold quota tions. It is apprehended that such a 470 Calle Urquiza. cleaned there is nothing to hamp or trouble the onward march of the The following is a summary of the business effected in stocks and shares at National Bank Shares-
