I need have no hesitation in recommending it generally as a Cure for Scab, without discolouring or damaging the Wool.

The "ASTE" is in my opinion preferable to the Powder, and will probably have a pager sale than the latter."

JOHN KELLIE. It has been proved by many important Estancieros that HAYWARD'S PASTE is more convenient to use than any other Dip, being already mixed and dissolving in any kind of water. It makes a smooth soapy bath which adheres well to the Fleece and leaves the well allowed the production. any kind of water. It makes and leaves the wool clean and soft.

ON 'CHANGE.

Thursday, Jan. 7th. The political news was so favourable -day, at least with regard to the conliation policy, that all expected a heavy all in the gold market. Gold, however, remained steady at a slightly lower level than last Tuesday, shewing an inclination to rise. Fourteen thousand ounces changed hands for cash at the first ring; price opened at \$601, rose to 60.70 to 60.40, and closed at 601. About housand sovereigns were sold at 75 and 18.80, closing rate. As heavy ittances must be made this month account of the yearly balance of the many foreign companies in our midst, the gold bulls are confident that the premium will rise and exchange fall for the next three or four weeks. Patriotic Bonds ruled very steady all morning. One hundred thousand were sold at 58.20 to 58.80 for cash, and at 59 to 59.30 for the end of the month. National Bank shares were steady at 20 for cash and on time. Constructora de Flores were quoted at 3.

The La Plata Cedula is still falling. Series G felt to 28½ and N to 28.80; O and P closed at 29, weak; M was dull and nominal at 29.80; L closed at 30.
