s. The following letter, which we take from the Financial Times of March 8th "The letter from Dr. Alberto Nin

their claims will be gladly entertained. But they cannot be allowed more than

"As respects the final assumption of Dr. Nin, I may tell him that if the Monlevidean creditors had from the first agreed to come in under the liquidation, undoubtedly the same course would have been pursued as if the notes had been held here. The general assets being first divided, a call would have been made just like that which is now in question, for the purpose of complet ing the full payment of the notes and of recouping the general assets for the dividend already paid therein out of the "It is not for me to criticise the wisdom or otherwise of the Act of 1879, which Dr. Nin probably is unacquainted with. I would, however, venture to say that had our Parliament laid down at the same time the principle that any note issues then existing should be brought

to the notice of shareholders, and either

a limited time to consider what they will

sanctioned by them, or else called in, much discontent would have been avoid-I am, &c.,
Thos. A. Welton.
5, Moorgate-street, London, E.C.,
7 March, 1892. We take from the European Mai under date London 10th March:— "In London just now there is a rather better feeling towards Argentina than has been the case for some time past. Interest in its affairs is beginning to re-, and, despite the abuse which has a levelled at the country and its finpremium having dropped ten or twelve

the gold premium has stopped falling but the better tendency still remains and sanguine hopes are expressed of coming to some arrangement in regard to Argentina's foreign obligations when the new President becomes firmly estab-

Hished in office.

Lieutenant Colonel Albert Goldsmid gentine 1 per cent.
