Telegraphic Address-Ronald, Liverpool, Exchange Chambers, Bixteth Street, Liverpool, 19th Feb. 1892. Dear Sirs-

Amongst the River Plate Wools which we have sold here this season, our attention has been called to several clips which had been treated with Hayward's "Paste" Sheep Dip, and we have pleasure in testitying to the freedom from scab, and handsome lustrous appearance of these wools, which we consider materially assisted in their obtaining such very good prices.
