SAVINGS BANK. BANK MAUÁ AND CO.

No. 103 Calle de Cangallo, BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the immoral gambling, in lotteries, and other frivolities.

The Bank of Mauá and Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and will open a Savings Bank at No. 103 Calle Cangallo, from Nine a.m. till Three p.m. on Week Days, and on Sundays and Holidays from Ten a.m. to Twelve m., for the reception of the savings of the classes already mentioned.

First—The Bank receives at interest any sum from Twenty-five Dollars currency Silver Dollar upwards. Second—The interest allowed is six per cent. (6%) per annum, which is liquidated every six months.
