By the contract of the 11th March, been far below the figure guaranteed. and consequently the amount set apart in the Budget from 1865 to 1866, for 'public illuminations,' is by a long way exceeded; consequently, to provide for this deficit, the Emperor issued on the 10th inst. a decree opening a 'credito extraordinario,' for the amount of r42,768\$800 to meet the necessary payments.

These numerous 'creditos extraordinarios' now being opened, some to cover losses by exchange, some to meet the working expenses of a railway, which is not paying; others to provide for expenses which in the drawing up of the Budget were not contemplated, show very plainly that when by and by accounts are squared up, and the direct and indirect expenture of the empire in prosecuting this war summed up, there will appear an who will have to pay it in taxes.

At present no new taxes have been mposed, although the law authorising the Government to levy them has passed the Chambers, so that the deficit at the end of the financial year 1866-67, will be something tremendons. In the collection of direct taxes some difficulty is to be appregatherer is no enviable one in some

Nichols & Tomkins' Patent Seamless Saddle Cloths for Sale at the great Emporium of Light, 59 Calle Florida.

RECOMMENDATIONS OF THE SADDLE CLOTHS. From Lieut.-Gen. U. S. Grant. I have tried for several months your Patent Saddle Cloth, and pronounce it the best I have ever known used for saving the backs of horses. It should come into general use for cavalry service r where horses are much used under the saddle.

From Major-Gen. W. T. Sherman. I used it in all my Georgia and Carolina march and think very well of it indeed, I rode mostly two horses alternate days, and both horses have as clean and sound backs to-day as when I started from Nashville. This is the best test of your

From Major-Gen. M. C. Meige, Quartermaster-General.

I have used one on my horse which I purchased from you and am well pleased with it.

From Major-Gen. Joseph Hooker. Every horseman will appreciate the merit of your invention. The improvement is so great, and at the same time so simple, that we now wonder why it was not discovered and brought into use long ago. The superior fabrication of the article reflects credit on the manufacturers,

Notice.

The undersigned hereby notify the commercial public that, agreeably with the terms of a contract registered yesterday in the Tribunal of Commerce, they have formed a new co-partnerhip in order to continue the above drug business, which in future will be carried on under the firm of Zingroni, Schutt, & Co., they having charges themselves with the winding-up of the concernd of the old firm since 1st October last. The Bank of Maua & Co. are also persuaded that this new branch of their business will render.

The Bank of Maua & Co. are also persuaded that this new branch of their business will render.

The tract offered for sale lies to the

The tract offered for sale lies to the W. and S.W. of the capital of Santa Fé at a distance of from 12 to 22 leagues; from Sau Geronimo de Coronda 13 to 18 leagues; from the Colonies of Esperanza and San Carlos 8 to 15 leagues; and from the line of railroad, at its nearest point, 8 leagues; the average distance from the coast of the River, Paraná being about 18

The part of these lands measured by the Surveyor Livi contains forty lots of from two and a half to four superficial leagues each, making in all one hundred and thirty-one and a-half leagues (1311); and the part measured by the Engineer Campbell contains twenty lots of various sizes from two to five superficial leagues each, making in all fifty-two leagues (52): forming a total of one hundred and eighty-three and a-half square leagues (1831), as is demonstrated on the corresponding plans of the pro-perty, which may be examined by the public from the date of this advertisement

These lands are bounded on the N. at their extreme point by the line of military posts, and in the vicinity of a reserve destined by the Government of this Province for an agricultural colony; on the S. by lands of the Public Domain and others belonging to Mr. Samuel F. Lafone; on the W. by lands of the Public Domain; and on the E. by Public Lands, by the property known as Las Prusianas of D. Martino de Elia, by lands belonging Edine. A gentle of Edine as en la Agericia de D. Martino de Elia, by lands belonging Edine. A gentle of Edine as en la Agericia de D. Santos y an Monta, en la Confi a reserve destined by the Government to the Colony of San Carlos, and others belonging to Mr. Tesandro Santa Ana, Mr. Talbot, and other English proprietors who have English proprietors, who have lately purchased in that locality a tract of fourteen square leagues for the purpose of establishments of estancia.

The description of these lands and other circumstances in reference to their sale, which may be required by the Public, will be seen in the Auctioneer's advertisement, published simultaneously with this; and for further information application may be made to him, or to the Committee, Calle de Aduana, No. 100.
