GREAT REDUCTION IN PRICE.
A small lot of these pictures still on hand at Locdel's Book Store will be sold at the remarkably low price of 100 DOLLARS A SET.

These views, taken at the Pase la Patria, Ita-piru, Bequeren, Potrero de Piris, Tuyuti, and other points of importance, by Don Javier Lopez, commissioned by us and protected by the Oriental Government, are invaluable, as much from their historical interest as from their giving a faithful portraiture of the horrors of wartare. Collection No. 1, consisting of 12 photographs, includes the interesting picture of the Soldiers at Mass, the Telegraph Station, the Death of Colonel Pallejas, &c. Collection No. 2 includes the Ruins of Itapiru, General Mitre and his Staff, Heaps of Para-

gusyan Dead, Gran Chaco Indians, Paraguayan Prisoners, &c.: Several thousands of these views having been already been distributed in Brazil, the Banda Oriental, Corrientes, Rosario, Salto, &c., the original negative plates have become worn out, and we strongly advise any one wishing to obtain a correct idea of the War with Paraguay, as seen through the 'camera obscura,' to improve the present opportunity, as no other of these yiews will ever again be put in the market.
