WHAP IS A GENTLEMAN?

In the case of Wag v. Kelton, tried at the late Bristol Assizes, Mr. Justice Talford thus defined the character of a gentleman. The evidence proved that the defendant, while in the theatre, had said to the plaintiff, "Do not speak to me; I am a gentleman, and you are a tradesman."

Table of exchange rates for various currencies and commodities like gold, silver, and dates. Includes entries for 'For cash', 'Do. Sovereigns', and 'Do. Dates'.

Notwithstanding that the business is completely changed from the Bank to the Bank, and the excitement consequent upon speculation abolished, to-day was an extraordinary one.

Money rates so very easy, and so difficult to employ, that no matter what the state of things may be in the interior it is thought these Bank will maintain their value, owing to the very splendid interest they give to present questions.

The news of the arrest of Major Richard, of the San Juan Mines, for debt, was much spoken of on the Balsa. It seems that the immediate cause of his arrest has been his inability to pay in full the San Juan creditors of the company.
