SAVINGS BANK. BANK MAUA AND CO. 101-Cangallo-103. BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the two great emporiums of the River Plate.

The Bank of Maua & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depositary for their savings.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes.

The Bank of Maua & Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighborhood.

Buenos Ayres, 2nd January, 1867. P. MAUA & CO. M. A. DE FREITAS AMORIM.

Fourth—Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wishes, can open an account current, according to the rules established by the Bank.

Fifth—In case the depositor loses his pass book, it can be replaced by another on paying twelve cubic centimeters and advertising the loss in the public newspapers.

PETROLIO IMPERIAL. NO EXPLOSIVO. EN LATAS DE PATENTE. BLANQUEO. SEGURIDAD ECONOMICA. EL MAS BARATO.

The use of 'Petrolio' having become extended over nearly the entire Universe, it becomes a subject of great importance to the Public to procure if possible an article that by its non-explosive qualities will secure them in some measure against the horrible accidents that are daily occurring by the use of inferior oils.

Petrolio Imperial. An Oil superior to any other as yet offered, possessing virtues heretofore unknown, amongst which comes the first and most important—ANTI-EXPLOSIVO.

The Naptha Gas is by our new plan of refining deprived of its explosive tendencies, and will also give ONE-THIRD MORE LIGHT than any other oil, thus two lamps burning our oil will give as much light as three burning other brands, so it is the CHEAPEST AS WELL AS THE BEST.

In fine it is an economical safe brilliant, suitable for the use of Families, Stores, or Public Buildings, and for its safety is particularly adapted for Public Houses, Schools, or in fact in any place where there is any concourse of people.

A SPEEDY CURE FOR THE THROAT, CHEST, AND LUNGS.

PECTORAL DE ANACAHUITA. The true Mexican Anacahuita, from which our Pectoral is made, is a remedy for pulmonary Diseases, which has been known and fully tested in that country for many generations.

The native Indian tribes were probably the discoverers of its wonderful medicinal virtues, as it is among them where we first find it in use; later we find it prescribed by the leading College of Physicians in Mexico, and much prized by them as a safe and reliable remedy for some of the worst forms of Pulmonary Affections. Our own experience since we first introduced our Pectoral of Anacahuita, now over ten years ago, has been of the most satisfactory and encouraging nature.

From Cuba, Mexico, West Indies, Brazil, Buenos Ayres, Chile, Peru, Ecuador, New Granada, Venezuela, and Central America, we have many letters and certificates of cures effected by its use, especially in such diseases as Consumption, Coughs, Asthma, Colds, Whooping Cough, Pleurisy, Hoarseness, Pleurisy, Sore Throat, Hoarse Voice, and

Difficult Breathing. We have combined in our Pectoral various other valuable medicinal herbs, which we find makes the action of the Anacahuita most speedy and reliable. It is, therefore, recommended for the use of Pure, Sincere, Cod Liver Oil in conjunction with the Pectoral. Where these two great remedies are faithfully used we are almost, without exception, in guaranteeing a Complete Cure in any of the above diseases, except in Consumed Consumption, and even in it the patient's life may be prolonged for many years.
