SAVINGS BANK. BANK MAUA AND CO. 101-Cangallo-103. BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres, that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Maua & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depository for their savings.

The sums deposited in that very important institution are steadily increasing, and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, bookkeepers, and servants of all classes and conditions, who are equally desirous of putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the immoral gambling, in lotteries, and other frivolities.

The Bank of Maua & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and has

First-The Bank receives at interest any sum from Twenty-five Dollars currency or one Silver Dollar up to \$500,000, at the rate of 6 per cent. The interest allowed is six per cent. (6 p.c.) per annum, which is liquidated every six months.

Second-The depositors can at any time retire the whole or part of the money deposited. Fourth-Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wishes to open an account current, according to the rules established by the Bank.

Fifth-In case of death, the depositor's heirs can be repaid by another on paying twelve dollars currency, and advertising the loss in the public newspapers.
