

The offices of this Bank having been removed to the above specified building, in order to suit the increasing flow of business, the public is informed that the following transactions are carried on in care and specie in this Bank: First—Bills and obligations with good signatures are discounted at conventional terms.

Second—Money is advanced on mortgage and other securities approved of by the Manager.

Third—Accounts current are opened with merchants or other parties who may prefer depositing orders and transferable securities, against which they may draw up to an amount previously covenanted under conditions established for such class of operations.

Fourth—Money is received in current account, bearing interest; from day of deposit, which is accumulated in favor of the parties every three months, the depositors being allowed to retire at any time, by means of cheques, part or the full amount at their wish, save when the quantity exceeds three hundred dollars or one hundred thousand dollars currency, in which case forty thousand dollars currency is required to be given eight hours previous notice to the Bank.

Fifth—Bills or letters of credit are drawn and taken on Montevideo, Rosario, Sta. Fe, Salto, Oriental, Paysandú, and other places, also on the Brazil, England and France, as given hereafter, and of which notice will be also given hereafter.

Finally, the Bank undertakes and executes all legitimate transactions within the orbit of banking operations. The establishment is always open from 9 a.m. till 3 p.m.
