SAVINGS BANK. BANK MAUA AND CO. 101-Cangallo-103. BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the two great capitals of the River Plate, Montevideo and Buenos Ayres, that there are very few Merchants who fail to keep one at the bank in which they place the most confidence. The Bank of Maua & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depositary for their savings. The sums deposited in that very important institution are daily increasing, and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the immoral gambling, in lotteries, and other frivolities. The Bank of Maua & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and has

opened a Savings Bank at No. 103 Calle Cangallo from nine a.m. till three p.m. every day, for the receipt of the savings of the classes already mentioned, Sundays and holidays excepted. The Bank will deliver to each depositor a pass book, in which will be entered the amount deposited and withdrawn. The depositor is permitted at any time to withdraw the whole or part of the sum deposited; in the former case the interest will be calculated up to date. The Bank of Maua & Co. is sufficiently known to the Public by the benefit derived from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare. The Bank of Maua & Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighborhood. Buenos Ayres, 2nd January, 1867. P. P. MAUA & CO. M. A. DE FREITAS AMORIM.

CONDITIONS. First-The Bank receives at interest any sum from Twenty-five Dollars currency or one Silver Dollar upwards. Second-The interest allowed is six per cent. (6 p.c) per annum, which is liquidated every six months. Third-The depositors can at any time retire the whole or part of the money deposited. Fourth-Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wishes can open an account for interest, according to the rates established by the Bank. Fifth-In case the depositor loses his pass book, it can be replaced by another on paying twelve dollars currency, and advertising the loss in the public newspapers. P. P. MAUA & CO. M. A. DE FREITAS AMORIM.
