THE ROMAN CATHOLIC GERMAN SCHOOL.

For several years there exists in this City, at No. 118, CALLE LIBERTAD, a Catholic GERMAN SCHOOL, which, through the zeal and proficiency of the Masters, has given the most satisfactory results. The Pupils are charged only a small sum Monthly, and, according to the Rules, the Poor are Educated Free. The School receives no aid whatever from the Government or the Municipality, being supported only by a number of Resident Catholic Germans. Its financial position, therefore, is not such as could be desired, and, in order to improve it, the School has been given the Prize being given by various well-wishers. We hope that our Friends—Lady Friends in particular—and all supporters of Education will not withhold their aid. For more particulars, see the Articles of Handwork already been presented; and a Committee has been formed authorized to receive Donations, as well as to sell the Exhibiting Tickets. SAVINGS BANK. BANK MAU & CO. 101-Cangallo-103. BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres, that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depository for their savings.

The sums deposited in that very important institution are daily increasing, and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the immoral gambling, in lotteries, and other frivolities.

The Bank of Mau & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and has opened a Savings Bank at No. 103 Calle Cangallo from Nine a.m. till Three p.m. every day, for the reception of the savings of the classes already mentioned, Sundays and holidays excepted.

The Bank of Mau & Co. is sufficiently known to the Public by the benefit derived from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare.

The Bank of Mau & Co. are also persuaded that the new branch of their business will render immense service to the working-classes of Buenos Ayres and its neighborhood. Buenos Ayres, 2nd January, 1867. P. P. Mau & Co., M. A. DE FREITAS AMORIM.

CONDITIONS. First-The Bank receives at interest any sum from Twenty-five Dollars currency or one Silver Dollar upwards.

Second-The interest allowed is six per cent. (6 p.c.) per annum, which is liquidated every six months.

Third-The depositors can at any time retire the whole or part of the money deposited.

Fourth-Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wishes can open an account current, according to the rules established by the Bank.

Fifth-In case the depositor loses his pass book it can be replaced by another on paying twelve dollars currency, and advertising the loss in the public newspapers.
