Pain cured in an instant!

LET RADWAY'S READY RELIEF Be used on the first occasion of pain or un-easiness; if threatened with disease or sickness, the cure will be made before the family doctor would ordinarily reach the house.

Hundreds of families, who for 25 years have used the Ready Relief, have had no occasion for

he services of a doctor.

Every kind of Pain, Ache, Cramp, Spasm, whether from injuries, accidents, poisoning, or from disease that may exist in the inside or outside of man, woman, or child, is just ntly stopped, and the cause (if disease) quickly re-moved by Radway's Ready Relief.

People who for a quarter of a century have used it, and cured themselves of all kinds of pains, aches, and infirmities, know but very little of its tru'y great power in the more dangerous diseases. In all cases where an external embrocation or liniment is required, or where there is cation or liniment is required, or where there is pain, inflammation, congestion—or where there is a disturbance inwardly, such as cramps, spasms, diarrhoea, sickness at stomach, headache, and other simple aliments, they know very well that the keady Relief will remove all these difficulties in a few seconds, but that the more fatal diseases, such as Small Pow, Yellow Fever, Asiatic Cholera, Typhoid Fever, and the class of diseases that terminate fatally in a few hours, they know little that in Radway's Ready Relief they have a life-preserver that will cure them and protecthem against atttacks of those fatal diseases.

them against attacks of those fatal discases, and jet this is true, and it is the only remedial agent in existence that will absolutely cure and prevent these diseases.

The solution of this great medical problem is plain and simple, for in the Ready Relief we have a country release a disinference of the country of the have a counter-irritant; a disinfectant; a diffu-sive stimulant; an anti-acid; a diapharctic; an antiaspasmodic; a rubefacient; an anti-se; tic; a su orific; an anodyne; a nervine; and tonic. This same-principle secures the same happy results, in all other diseases and aliments, either applied externally or taken internally.

In Congestion of the Lungs, Inflammation of the Bladder and Kidneysism, Inflammation of the Bladder and Kidneysis fact, in all forms of disease where there is
